The following letter-form was brought about as a means of teaching my children the Word of God through the mail. And of course, quite naturally so, that's the reason I begin these letters with "Dear Children" and end them with "Love Dad". So for the rest of you who participate in these weekly messages, please keep their original intended purpose in mind.

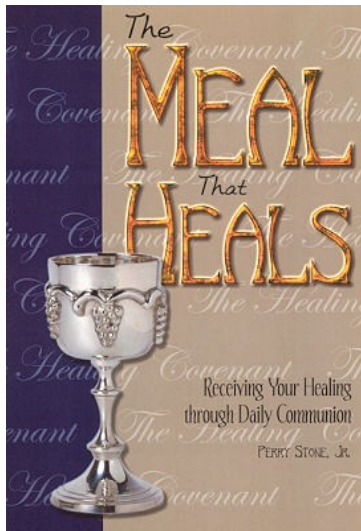

12 June, 2005

Dear Children,

It truly saddens me that I must write yet another sermonet on Perry Stone and his ministry. I mean you'd think our sermonet "Perry Stone's Five Tornadoes! (12/9/01)" would have been enough to shake him and wake him...but it didn't! In fact the Truth of the matter is that since the writing of that particular sermonet Brother Stone has continued to use his God-given talents to compromise the gospel of Jesus Christ and damn many souls to the "endless darkness" and "everlasting fires" of God's "eternal Hell"!!! Therefore, today, as the Lord has commanded, we will speak out what "Thus Saith The Lord" concerning the "rot and corruption spewing forth from Perry Stone and his Voice of Evangelism Ministries":

"Now I beseech you, brethren, mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them. For they that are such serve not our Lord Jesus Christ, but their own belly; and by good words and fair speeches deceive the hearts of the simple."
(Romans 16:17-18 KJV)

So was that one strong enough for you – or maybe just a little bit TOO STRONG? I mean without a doubt those were some pretty "tough and rough" Words for anyone to speak about someone so charismatic (captivating, charming, and appealing) as Brother Stone. In fact I am personally (me, myself, and I) having a very hard time believing that Perry Stone has actually "gone and done" what he's actually "gone and done".

But anyway, the manner in which today's message came about was innocent enough to say the least. I mean please believe me when I say that I did not go out looking for this one, it came looking for me! In fact it was only a few months ago (as Good Lord would have it) that I "just so happened" to turn on the television and catch my first installment of Perry Stone's "Manna-Fest: **The Meal That Heals**"... which would eventually become this sermonet of today – "**Perry Stone And 'The Meal That Heals'???**"

Because you see what I saw in that particular program really and truly blew me away (???) , and not in a very nice way!!! In fact what do you say we kick-start this message by reading an overview of Brother Stone's book – "**The Meal That Heals**" – which will take us right on into Satan's "hidden agenda" in Perry Stone's "Healing Meal" book, videos, and Manna-Fest programs:

The Biblical revelation contained in this book will not only challenge your spirit, but could possibly extend the days of your life! Several years ago, Dr. John Miller first introduced this truth to Perry Stone.

Perry believes this revelation of daily Communion has been lost in the traditional church, but is being revived in this final hour as the ultimate New Covenant weapon to attack sickness and bring healing in the lives of Christians! **This is not just another message, but a life-changing spiritual revelation of God's healing covenant through the bread and the fruit of the vine.**

Now the first thing that grabbed me about Brother Stone's "Manna-Fest" program – "**The Meal That Heals**" – was this fellow called **Dr. John Miller**. I mean the minute I laid eyes on "Brother" Miller the Holy Ghost "alarms" started screaming in my little old head! Because what I immediately detected in "Brother" Miller was the odor of **a big fat rat**...and a very unhealthy diseased-ridden rat at that! In fact after the program had ended I received the following Scripture from the Lord concerning the "Rat" that was on Brother Stone's program:

"Take heed therefore unto yourselves, and to all the flock, over the which the Holy Ghost hath made you overseers, to feed the church of God, which he hath purchased with his own blood. For I know this, that after my departing shall grievous wolves enter in among you, not sparing the flock. Also of your own selves shall men arise, speaking perverse things, to draw away disciples after them." (Acts 20:28-30 KJV)

Now even though I smelled a "rat" the first time I laid eyes on "Brother" Miller, the Almighty has seen fit to call him a "wolf"...so who am I to argue with God? A wolf it is! In fact what's so terrible about this "ratty wolf" situation with Dr. Miller is that he's none other than a Roman Catholic "Jesuit" posing as an "anti-Catholic" protestant. In other words Dr. Miller is a "wolf" pretending to be a "sheep" who the "shepherd" (Perry Stone) has invited into the Father's "sheep fold" (the flock) to have lunch!!! And just in case you haven't been privy to God's "Truth" about the Jesuits, please let me share with you what I've learned through the "Alberto Series" from Chick Publications.

Because you see there was once a man by the name of Dr. Alberto Rivera who became a Jesuit priest in the Roman Catholic Church...but then he found Jesus. And it was during the time before his conversion to Christ that Brother Rivera witnessed many of the "unspeakable" horrors that take place "behind the scenes" in the Roman Catholic Church. And, quite naturally so, once Brother Rivera made Jesus Christ his Lord and Saviour, he found it necessary to "spill the beans" by exposing the Truth about the spirit of Anti-Christ within the Roman Catholic Church. In fact the "Alberto" six-part comic series was created through the combined efforts of Brother Alberto Rivera and Brother Jack Chick in order to do just that!

So getting back to the subject of "Wolf" Miller, it's through this real-life story of "Alberto the Jesuit" that I'm going to help you see the real-life "Jesuit" Miller who's inspired Perry Stone to write, teach, and preach a message that's destined to destroy hundreds of thousands of believing Christian. In fact reading from the "Double-Cross" comic (part two of the Alberto series) we find the following "Oath of the Jesuits" that's specifically designed to turn men into "wolves" for the glory of Satan and the Roman Catholic Church:

Ceremony Of Induction And Extreme Oath Of The Jesuits

(from Double-Cross [<http://www.fmh-child.org/DoubleCross.html>] page 12-13)

My son, heretofore you have been taught to act the dissembler (a phoney who acts like he's on your side, but really isn't): among the Roman Catholic to be a Roman Catholic, and to be a spy even among your own brethren; To believe no man, to trust no man, Among the reformers to be a reformer; among the Hugenots (French Protestants) to be a Hugenot; among the Calvinest to be a Calvinest; among the Protestants (those who protest and disagree with the Roman Catholic Institution), generally **to be a Protestant; And obtaining their confidence to seek even to preach in their pulpits, and to denounce with all vehemence (violent emotion) in your nature our holy religion and the Pope;** And even to descend so low as to become a Jew among the Jews, that you might be enabled to gather together all information for the benefit of your order as a faithful soldier of the Pope. You have been taught to insidiously (secretly) plant the seeds of jealousy and hatred between states that were at peace, and incite them (to stir people up)

to deeds of blood, Involving them in war with each other, and to create revolutions and civil wars in communities, provinces, and countries that were independent and prosperous, cultivating the arts and the sciences and enjoying the blessings of peace. To take sides with the combatants (those fighting a war) and to act secretly in concert (to plot together) with your brother Jesuit...who might be engaged in the other side, but openly opposed to that which you might be connected; only that the Church might be gainer in the end, in the conditions fixed in the treaties for peace...and that the end justifies the means. You have been taught your duty as a spy, to gather all statistics, facts and information in your power from every source; to ingratiate yourself (which means to knock yourself out to become their buddies) into the confidence of the family circle of Protestants and heretics of every class and character, as well as that of the merchant, the banker, the lawyer, among the schools and universities, in parliaments and legislatures, and in the judiciaries and councils of state, and **to “Be all things to all men,” for the pope’s sake, whose servants we are unto death...**

So just what did you think about that? Did it blow you away? Did it make your blood boil? Do you now want to throw up? Has the “hidden agenda” of “Brother” Miller and the Roman Catholic “Jesuits” become blatantly obvious by now – like “in your face”? Do you understand why I call “Jesuit” Miller a “big fat rat”? Do you understand why Father God calls “Jesuit” Miller a “ravenous wolf”?

Well if that particular “Jesuit Oath of Induction” wasn’t detailed enough for you, just check out the official full-strength, full-length version in our sermonet “**The Roman Catholic Curse In The Passion Of The Christ! (4/25/04)**” [JESUIT Extreme Oath of Induction as recorded in the Journals of the 62D Congress, 3d Session of the U.S. Congressional Record---House, 15 Feb. 1913, pp3215-3216].. In fact the following is the way that very dark and demonic Society of Jesus “contract” starts out for the new “Jesuit recruit” who swears allegiance to the “Black Pope” (superior general/ghostly father) of the “unholy trinity” (Antichrist) of the Roman Catholic Church:

“I _____, now in the presence of Almighty God, the blessed Virgin Mary, the blessed St. John the Baptist, the Holy Apostles, St. Peter and St. Paul, and all the saints, sacred host of Heaven, and to you, my Ghostly Father, the superior general of the Society of Jesus...”

OK, so the bottom line to this ”Jesuit thing” is that they (the Jesuits of the Society of Jesus) are trained and conditioned to “brainwash Christians” into believing the “lies of Satan” as practiced by the Roman Catholic Church. And when it comes to the “one big **LIE**” that Jesuit Miller has enticed Brother Stone to teach and preach through “The Meal That Heals” program, what better way for me to show you “what it is” and “how it works” than through the personal testimony of a brainwashed Christian!

Because you see as I was preparing to write this sermonet the Lord had me do a little research on the Internet. And what I soon discovered somewhere along the way was an impressive “Cowboy Stuff Ministries” that had whole-heartedly believed-in, sold-out to, and was likewise teaching “The Meal That Heals” **LIE** in a very impressive way.

So, after having made this amazing discovery, the first thing I did was make a copy of the evidence needed for this sermonet and then make contact with the “cowgirl minister” of the “Cowboy Stuff Ministry”. In fact the following e-mail to Crystal Lyons is exactly what the Lord had me to say to her:

Subject: The Real Full Meal

Dear Sister Cystal;

It was back on 12/0/01 that the Lord gave me a message to write entitled "**Perry Stone’s Five Tornados!**" In that sermonet it was predicted that Perry Stone would sell-out to the Roman Catholic Church and thereby pervert the Word of God through his teachings. This is being done through Perry's "The Meal That Heals" Mana-Fest Program, book, and video. What he is teaching is nothing less than the Roman Catholic Mass

with it's unholy Eucharist. May I invite you to read an earlier sermonet series entitled "**Vampires In The Church**" at <http://www.fmh-child.org>.

Please seek the Lord on what I am saying to you.

In Christ,

Bruce Hallman

Now what happened next was not at all what I expected to happen. Because you see it wasn't too awful long after sending out that special e-mail to Sister Crystal that her "Cowboy Stuff Ministry" Website took on a new look. Her teaching series on "**The Real Full Meal**" just all of the sudden **got gobbled up!!!** It completely disappeared! I mean there wasn't a trace of it remaining!

So it wasn't too long after my "discovery" that the Good Lord told me to fire-off yet another e-mail to my new found friend:

Dear Sister Crystal;

Sorry about misspelling your name. Just another one of those human errors - I confess it.

I noticed that you've removed all traces of "The Real Full Meal" from your Website. Does this mean you've seen the Light and had a change of heart? Confession is good for the soul and the people would like to hear about your's. I'm in the middle of writing our upcoming sermonet "Perry Stone And 'The Meal That Heals?'" Please pray about my request. Would love to hear back from you...and so would the Lord!

In Christ,

Bruce (and Sandy)

Now as much as I hate to admit it, Sister Crystal never bothered to answer my e-mails. So do you think that just maybe she doesn't want folks knowing her predicament? I mean getting duped by the Devil ain't nothing to be proud of. However, just in case it might be of some consolation to Sister Crystal, I must say she had an excellent preacher (Perry Stone) teaching her to believe-in that particular **LIE of the Devil**.

And having said all that, it's about time for me to show you how truly effective this **Jesuit "brainwashing"** really is. Because even though "The Real Full Meal" no longer exists on the "Cowboy Stuff Ministry" Website, the following is a portion of what I found before it got all gobbled up:

The Real Full Meal

by Crystal Lyons

(http://www.crystallyons.com/html/2003_novdec.html)

Sometime back, someone sent me a book and video called "**The Meal That Heals**". The book was written by Perry Stone, Jr. and the video was from his television program, "Manna Fest". Ray and I have gleaned many truths from Perry Stone's program before, so I looked forward to what this was about. **Wow! The revelational truths presented ignited me! How could something so obvious have been totally overlooked for so long? The WHOLE body of Christ needs to receive this revelation and begin to claim what is rightfully ours, through the covenant we have with Jesus...**

When taking communion---I suggest you take a whole cracker---look at it and begin to thank Jesus for healing your body. Tell Him you are taking this as *heavenly medicine for your body*. Thank Him that His body was broken so you could be whole. He was torn up so you could be well. He carried pain and death in His body so you and I could be free of pain, free of cancer, free of blood disorders, free of bone diseases, etc. Then break that cracker. Realizing that it was because of **our sin** that His body was broken, it was for **our healing** that stripes were laid on His back---His body was given to **us**---for *our healing*. **Don't just discern the blood---Jesus commanded us to discern His body also! Partake of His flesh! (John 6:53-58)** Sound too gross for you? It did to His disciples also, and *many* left Him that day because of that saying. Will you? Will you choose to ignore His words and not lay claim to the price He paid for you and me in His body?

How do we appropriate it? This is the awesome part. Get some grape juice or wine, which ever you prefer to use and keep it in stock along with crackers. Begin to make it a daily routine in your life to just take a few minutes and take communion. Each time you do, not only consecrate yourself to Him, but look at that cracker, break it and lay claim to what Jesus gave His body for---for your healing, for your soundness and peace of mind, for your total well being. Take it as daily medicine!! How many of you take medicine daily? I would go so far as to suggest that every time you have to take your medicine, take God's medicine along with it! Give God equal time and opportunity! The great thing about this is, I don't have to have total faith for instant healing---I have faith in what Jesus did for me in His body---faith enough to appropriate it personally, on a regular basis. **I can know in doing this that each time I do it, I'm getting a little more well, healing is coming into my body, from God Himself, every time I lay claim to His body---my manna from heaven!**

Now were you able to see the Roman Catholic “LIE” that Sister Crystal has confessed as the “TRUTH” in her ministry teaching of “The Real Full Meal”? Well just in case you didn't, let me give you a little hint – it has everything to do with the following Words of Jesus:

“I am the living bread which came down from heaven: if any man eat of this bread, he shall live for ever: and the bread that I will give is my flesh, which I will give for the life of the world. The Jews therefore strove among themselves, saying, How can this man give us his flesh to eat? Then Jesus said unto them, Verily, verily, I say unto you, **Except ye eat the flesh of the Son of man, and drink his blood, ye have no life in you.**” (John 6:51-53 KJV)

In fact by going back in time to our sermonet “**Eat His Flesh And Drink His Blood? (3/29/98)**” [**Vampires In The Church - part III**] we can find the following very helpful information on “the Roman Catholic LIE” that professes Jesus’ “Flesh and Blood” is “The Real Meal Deal”:

...And that's also the very good reason why we are continuing on with our discussion on *Vampires In The Church*. Because as you should all remember from part I, this entire series started off in response to Mr. Gallagher's comment on the Internet. And just to refresh your memories as to what he said concerning Jack T. Chicks publication “**The Death Cookie**” here are his comments:

"This tract deals very irreverently with the Sacrament of the Eucharist that was instituted by Christ himself. The basic justification for the Sacrament is found throughout the Bible. In the old testament, we have the account of the Passover where the spotless male lamb was sacrificed. In order for the Angel of Death to passover the house of the Israelites, the blood of the lamb had to be put on the doorpost and the flesh of the

lamb had to be consumed. Only through this command of God would the family be spared! In the New Testament starting at John 6:22 and running through John 6:71, we see that **Jesus says**, not just once but four times, that **we must eat His flesh and drink His blood in order to have everlasting life**. This is so difficult to accept that many walk away. But the apostles stay, even though they do not understand what Jesus is saying. Finally at the last supper, Jesus gives the apostles the means to fulfill the command He gave in chapter 6 of John's Gospel. **He celebrates the last supper where He gives us His Body and Blood**. So in the New Testament, we have the sacrifice of the sinless male lamb of God to allow us to passover into Heaven. The parallel with the Old Testament is unmistakable. **The flesh of the lamb must be consumed to be saved!**"

Yup! That's what Mr. Gallagher said and that's what the Catholic's believe. Because as it is found written in the *Handbook For Today's Catholic*: **"In every Mass, Christ is present**, both in person of his priest and especially **under the form of bread and wine**. In every Mass, his death becomes a present reality, **offered as our sacrifice to God in an unbloody and sacramental manner**. **As often as the sacrifice of the cross is celebrated** on an altar, **the work of our redemption is carried on** [1333, 1350, 1372]. **At Mass we offer Christ**, our passover sacrifice, **to God**, and we offer ourselves along with him. We then receive the risen Lord, our bread of life, in holy Communion. In so doing, we enter into the very core of the paschal mystery of our salvation--the death and resurrection of Christ [1330, 1356-1359]."

You see in each and every Mass the Catholic priest turns the wine and bread into the blood and flesh of Jesus... and then they drink it... and then they eat it... and they do it because that's what they say the Word of God says to do. But of course that's where I disagree! And it was in part II of *Vampires In The Church* that I related this practice of the Eucharist in the Catholic church to that of a very similar Satanic practice called vampirism. And just so it will stay fresh on your mind let's read that one little paragraph from last week's message just one more time:

Everybody who's in their right mind wants to be able to "live forever"; nobody should want to "die forever". And it's these people who are involved in the worship service of Satan that can't have the everlasting promise of life eternal because they don't have their faith in (and a resulting life with) Jesus Christ. So in order for them to come up with their very own plan of salvation (and might I add one that won't work) they have invented this "salvation process" called vampirism. And it was Bill the "ex" vampire who went on to tell us the rest of the story: **"The very cornerstone of the Satanic cult's existence and survival lay in the central ritual of Orthodoxy and Catholicism -- the Eucharist (Mass) or "Divine Liturgy." ... doctrine of Transubstantiation (that the bread and wine is LITERALLY turned into the Body and Blood of Christ)..."**

So continuing on with the discussion of last week's sermon on John chapter 6, was this process of turning wine to blood and bread to flesh actually what Jesus meant for us to do in order to be saved? Did Jesus mean for the priest to perform this awesome miracle or did He mean for it to be a symbolic representation only? You see it's absolutely necessary that we know the truth, so let's continue on with our investigation...

So that's what the Lord had us to say in part III of "**Vampires In The Church**" – "**Eat His Flesh And Drink His Blood? (3/29/98)**". And even though there's lots of good information on the Roman Catholic "Eucharist LIE" in parts IV, V, and VI, what do you say we go back to part II – "The Death Cookie! (3/22/98)" – and pick up on the real reason for Jesus telling the folks to "**Eat My Flesh And Drink My Blood**":

...So once again, don't you think it somewhat a coincidence that one of the tools used in the study and practice of becoming a real life vampire is the Catholic's doctrine of Transubstantiation (turning the communion bread and wine into the real life Body and Blood of Jesus Christ)? And don't you think it strange that they both used the Scripture as found in the book of John for their source of inspiration and guidance to **eat His flesh and drink His blood in order to have everlasting life**.

And as you might remember me saying last week, what we have just discussed is as good a reason as any to take a closer look at what the Catholics believe in when it comes to salvation. And likewise that's why we began our reading in John 6...

All right, so here we have a whole bunch of people chasing after Jesus, for days upon end, and none of them had anything to eat. Well, none of them except this one little boy. So what was Jesus going to do (WWJD)? He didn't want them passing out from lack of food; they needed to be fed. They were physically hungry so Jesus did what was necessary to take care of their needs; He fed their stomachs: "And **Jesus took the loaves; and** when he had given thanks, he **distributed** to the disciples, and the disciples **to them that were set down; and likewise of the fishes as much as they would**. When they were filled, he said unto his disciples, Gather up the fragments that remain, that nothing be lost. Therefore they gathered *them* together, and filled twelve baskets with the fragments of the five barley loaves, which remained over and above unto them that had eaten. Then those men, when they had seen the miracle that Jesus did, said, This is of a truth that prophet that should come into the world. When Jesus therefore perceived that they would come and take him by force, to make him a king, he departed again into a mountain himself alone."

So Jesus took food that was probably enough for one or two people and fed thousands, and ended up with more left over than when he started. Pretty slick huh? Well the people that got fed thought so too, because it didn't take long for them to figure out that if Jesus was their king they would never have to worry about going hungry. They wanted Him to be their Fast Food King and they wanted Him bad. So once again, because of the out-of-control crowd condition, Jesus headed for the hills. But these people didn't give up easily because, "The day following... When the people... had found him on the other side of the sea, they said unto him, Rabbi, when camest thou hither? **Jesus answered them** and said, Verily, verily, I say unto you, **Ye seek me, not because ye saw the miracles, but because ye did eat of the loaves, and were filled**. Labour not for the meat which perisheth, but for that meat which endureth unto everlasting life, which the Son of man shall give unto you: for him hath God the Father sealed."

Now Jesus was and still is very interested in us having food in our stomachs (saving lives from physical death)... but this was not His main reason for being. You see Jesus' bottom line reason for becoming a man on this earth was so that He could be the perfect sinless Lamb of God, Who would give His perfectly sinless life's blood on the cross of Calvary, so that all who would believe in Him might have their souls saved from the eternal destruction of Hell (saving lives from spiritual death). But, try as He might, He was having an extremely hard time disconnecting these people's brains from their stomachs. He wanted them to use their brains to think about their spiritual needs instead of their physical needs, but it seems as though they had a one track mind for food!

But Jesus didn't give up. Because as we continue on with the reading we find: "**Then said they** unto him, **What shall we do, that we might work the works of God? Jesus answered** and said unto them, **This is the work of God, that ye believe on him whom he hath sent**. They said therefore unto him, What sign shewest thou then, that we may see, and believe thee? what dost thou work? Our fathers did eat manna in the desert; as it is written, He gave bread from heaven to eat. Then Jesus said unto them, Verily, verily, I say unto you, Moses gave you not that bread from heaven; but my Father giveth you the true bread from heaven. For **the bread of God is he which cometh down from heaven, and giveth life unto the world**. **Then said they** unto him, **Lord, evermore give us this bread**. And Jesus said unto them, **I am the bread of life: he that cometh to me shall never hunger; and he that believeth on me shall never thirst**. But I say unto you. **That ye also have seen me, and believe not**."

Now I really shouldn't have to strain myself in order for you to understand this one. Jesus finally gets these folks to thinking about what He is saying, and that's when they asked the question "What shall we do, that we might work the works of God?" And that's when Jesus replies, "This is the work of God, that ye believe on him whom he hath sent." And right about that time they say "What sign shewest thou then, that we may see, and believe thee?" You see this whole entire conversation between them and Him was getting nowhere. They wanted to know what it takes to do the works of God, Jesus tells them to trust in Him, and they follow up by saying "prove that You are Who You say You are first". And guess what method they want Him to use to prove that He is Who He says He is? You guessed it; FOOD (BREAD)!!!

But Jesus didn't give up; He tried one more time. And just to please them, since they wanted nothing more than to talk about food, He goes along with the flow, but, with a slight twist. You see Jesus follows right along with their conversation on the manna (bread from heaven) by saying, "For **the bread of God is he which cometh down from heaven, and giveth life unto the world.**" Now that was the statement that caught their ear. That's the one word they wanted to hear; **bread (food)!!!** And that's when they followed up His statement with their next request, "Then said they unto him, **Lord, evermore give us this bread.**" But the question remains: did they really understand what He was talking about? Well they said they wanted the bread but Jesus let them know what The Bread was all about when He said, "**I am the bread of life: he that cometh to me shall never hunger; and he that believeth on me shall never thirst. But I say unto you. That ye also have seen me, and believe not.**"

Now do you really think that Jesus' final statement really made them happy? I mean here they were, all pumped up about a food (The Bread) that was going to make them live forever, and then Jesus lowers the boom by telling them that He is The Bread. You see their brain was still connected to their stomachs (instead of their hearts) and that's why: "**The Jews then murmured at him**, because he said, I am the bread which came down from heaven. And they said, Is not this Jesus, the son of Joseph, whose father and mother we know? how is it then that he saith, I come down from heaven? **Jesus** therefore answered and **said unto them**, Murmur not among yourselves. No man can come to me except the Father which hath sent me draw him: and I will raise him up at the last day... Verily, verily, I say unto you, He that believeth on me hath everlasting life. I am the bread of life. Your fathers did eat manna in the wilderness, and are dead. This is the bread which cometh down from heaven, that a man may eat thereof, and not die. **I am the living bread which came down from heaven: if any man eat of this bread, he shall live for ever: and the bread that I will give is my flesh, which I will give for the life of the world.**"

Are you starting to see the truth in this Scripture? You see it is absolutely necessary, when trying to understand the full message of what Jesus (The Word of God) is trying to tell us, that we look at the whole complete entire story. And it was this particular story that both the Satanist and the Catholics have distorted to fit their particular "beliefs". Because, Jesus, after having gone the extra mile in trying to make them understand the truth, is about ready to turn them off so that they don't ever have to worry about hearing the truth anymore.

You see it's a known fact that, if we want to be hard headed hard hearted people, God will help us get what we want. And that is why we read on to find: "**The Jews therefore strove among themselves, saying, How can this man give us his flesh to eat? Then Jesus said unto them**, Verily, verily, I say unto you, **Except ye eat the flesh of the Son of man, and drink his blood, ye have no life in you.** Whosoever eateth my flesh, and drinketh my blood, hath eternal life; and I will raise him up at the last day. For my flesh is meat indeed, and my blood is drink indeed. He that eateth my flesh, and drinketh my blood, dwelleth in me, and I in him..."

And just as predicted these very harsh words not only took hold of the unbelieving Jews but also His very own close disciples. Because as we read on in verse 59, "These things said he in the synagogue, as he taught in Capernaum. **Many therefore of his disciples, when they had heard this, said, This is an hard saying; who can hear it?** When **Jesus** knew in himself that his disciples murmured at it, he **said unto them, Doth this offend you? What** and if ye shall see the Son of man ascend up where he was before? **It is the spirit that quickeneth; the flesh profiteth nothing; the words that I speak unto you, they are spirit, and they are life.** But there are some of you that believeth not. For **Jesus** knew from the beginning who they were that believeth not, and who should betray him. And he said, Therefore said I unto you, that no man can come unto me, except it were given unto him of my Father. **From that time many of his disciples went back, and walked no more with him.**"

You see Jesus' intended meaning of "**Except ye eat the flesh of the Son of man, and drink his blood, ye have no life in you**" was not what some took it to be. He said what He said for a reason and it wasn't meant as instruction for anybody to drink His blood or eat His flesh. Because He then went on to explain it in a little more detail by saying "**It is the spirit that quickeneth; the flesh profiteth nothing; the words that I speak unto you, they are spirit, and they are life**".

Got it? Well it's the same as me telling you that if you truly love God you will constantly feed on the Word of God (the Holy Bible). So does that mean I'm telling you to take each page of the Bible, one bite at a time, until it's all gone? No! The part about "feeding on the Word of God" relates only to our soul and spirit; not our stomachs. And that's why Jesus was saying that His word's "**Except ye eat the flesh of the Son of man, and drink his blood, ye have no life in you**" could only do them good if they (His words) touched their spirits...

So now do you understand "why" Jesus told the people to "**Eat Me**" in John chapter 6? Well it was all about Jesus getting "in the face" of those who were seeking for salvation "through the flesh" instead of "in His Spirit". In fact it's the natural tendency of "us humans" to try and satisfy our spiritual needs through our fleshly (carnal) appetites...but the truth of the matter is that "eating" ain't a gonna save nobody! I mean after all, that's exactly why this damnable Roman Catholic "Meal That Heals" is so damnable!!! Because you see **there are far too many Christians that will jump at the chance of receiving "healing and deliverance" if it comes through their stomachs**...but the Scriptures are very clear that it just ain't a gonna happen:

"There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit...For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. For to be carnally minded is death; but to be spiritually minded is life and peace...So then they that are in the flesh cannot please God...For if ye live after the flesh, ye shall die: but if ye through the Spirit do mortify the deeds of the body, ye shall live. For as many as are led by the Spirit of God, they are the sons of God." (Romans 8:1-14 KJV)

Now even though the Roman Catholics offer the **unholy "Meal That Heals"** in their celebration of **The Mass (Eucharist)**, there is a "holy" way in which Christians can symbolically partake of Jesus' "Flesh and Blood" (communion) without it being an act of "**stinking-rank paganism**":

"And when he had given thanks, he brake it, and said, Take, eat: this is my body, which is broken for you: this do in remembrance of me. After the same manner also he took the cup, when he had supped, saying, This cup is the new testament in my blood: this do ye, as oft as ye drink it, in remembrance of me. For as often as ye eat this bread, and drink this cup, ye do shew [G2605] the Lord's death till he come." (1 Corinthians 11:24-26 KJV)

Shew/Show (G2605) [kat-ang-gel'-lo] - From G2596 and the base of G32; to proclaim, promulgate: - declare, preach, shew, speak of, teach.

So are you starting to see the difference between the Roman Catholic "Mass" and the Protestant (anti-Catholic) "Communion"? Well the Roman Catholics claim that Jesus has instructed the "Believer" (through John chapter 6) to "eat His Flesh" and "drink His Blood" in order to receive "life"...and they really and truly mean that to be taken literally! However, the Truth has been shown through today's message that it was not at all what Jesus meant when He said what He said about "eating" His Flesh and Blood. In fact the word "shew" in chapter 11 of I Corinthians tells the True Story of what the "eating and drinking" of the "bread and grape juice" is meant to signify. Because Jesus plainly states that "**as often as ye eat this bread, and drink this cup, ye do shew (proclaim, teach, preach) the Lord's death till he come.**"

You see "Communion" is meant to be a "reminder" of "Jesus' death" until "He comes" by symbolically "showing" His "Flesh and Blood" that was given for our sins. And the way it's done is by the Believer "consuming" the symbolic "bread and grape juice" in a "reverential act of worship". In fact if your really want to "see" the real-life "picture" of "Communion" working in the "Believer's life" to give him/her "life", then check out our sermonet "**Life Through The Flesh And Blood Of Jesus! (11/28/04)**".

Now after having said all of that, let's turn our attention back to Brother Stone and the following God-chosen Scripture that's been Hand-picked especially for him:

“For there are many unruly and vain talkers and deceivers, specially they of the circumcision: Whose mouths must be stopped, who subvert whole houses, teaching things which they ought not, for filthy lucre’s sake. One of themselves, even a prophet of their own, said, The Cretians are always liars, evil beasts, slow bellies. This witness is true. Wherefore rebuke them sharply, that they may be sound in the faith; Not giving heed to Jewish fables, and commandments of men, that turn from the truth. Unto the pure all things are pure: but unto them that are defiled and unbelieving is nothing pure; but even their mind and conscience is defiled. They profess that they know God; but in works they deny him, being abominable, and disobedient, and unto every good work reprobate.” (Titus 1:10-16 KJV)

And after having said all of that, let me say the following once again: So was that one strong enough for you – or maybe just a little bit TOO STRONG? I mean without a doubt those were some pretty “tough and rough” Words for anyone to speak about someone so charismatic (captivating, charming, and appealing) as Brother Stone. In fact I am personally (me, myself, and I) having a very hard time believing that Perry Stone has actually “gone and done” what he’s actually “gone and done”.

Now after having said all of that, the “burning question” that needs to be answered is “Why has Perry Stone sold out to the Roman Catholic Church by promoting the Roman Catholic Mass (**The Meal That Kills**) to the Protestant Believers in such an appealing way (**The Meal That Heals**)?”

Well the answer to that question all goes back to the preceding God-chosen Scripture for Brother Stone. Because you see God says that he is a lying, slow belly type of evil beast, who through his unruly and vain talking deceives and subverts entire Christian households for filthy lucre’s sake. And just in case you don’t understand what that word “lucre” means, in the plain and simple, it stands for “increase”.

So just what is “it” that Perry Stone is willing to sell his soul to the Devil “for” in order to make “it” increase? Well that one’s easy! It’s his ministry!!! Because you see in order for him to become a part of the number one “Christian television broadcasting network” in the world – Trinity Broadcasting Network (TBN) – and likewise grow his “viewing audience” really, really big, he had to bow down to the demands of it’s owners; Paul and Jan Crouch. And just in case you didn’t already know it, in order for Paul and Jan Crouch to remain as the number one “Christian television broadcasting network” in the world they had to bow down to the spirit of Anti-Christ within the Roman Catholic Church.

And...seeing how we’re at the end of this message for Brother Stone, if you’re really interested in reading more on Paul and Jan Crouch and their TBN story, why not check out chapter 7 (Show Biz) of Jack Chick’s book “Smokescreens”? In fact, while you’re at it, just read on through to chapter 8 (The Fallen Idol) where you’ll find the facts on the Reverend Billy Graham. I mean, after all, he’s just another one of those “lying, slow belly type of evil beast, who through his unruly and vain talking deceives and subverts entire Christian households for filthy lucre’s sake.”

So in closing, there’s just one more thing of interest that should shed some light on the dark motives behind Perry Stone’s “Meal That Heals” program. Because along with his “disguised teachings” on the Roman Catholic Mass, he’s also selling a portable “Communion Set” that will allow the “Brainwashed Believer” to “eat Jesus” and “drink Jesus” at any time and any place. And as it concerns these handy-dandy carrying containers for the “Flesh and Blood of Jesus”, it was during the first half of the 20th century that **stores in heavily Roman Catholic countries sold toy versions of these “Communion Sets” to parents of altar boys who hoped their sons would want to become priests.** I mean **“GO FIGURE!!!”**

Ain’t it disgusting what some Christian’s will do in order to become famous? Well let me give you some real good advice. Don’t take any “wooden nickels” from the Devil by compromising the gospel for “filthy lucre”. Just **“Keep On Keeping The Faith In Jesus!!!”**
