

## **The Entertainment Industry Indoctrinating Society Into The New World Order**

**Isaiah 5:20 Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!**

**2Timothy 3:1 This know also, that in the last days perilous times shall come.**

**2Timothy 3:2 For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,**

**2Timothy 3:3 Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good,**

**2Timothy 3:4 Traitors, heady, highminded, lovers of pleasures more than lovers of God;**

**2Timothy 3:5 Having a form of godliness, but denying the power thereof: from such turn away.**

**2Timothy 3:13 But evil men and seducers shall wax worse and worse, deceiving, and being deceived.**

**Proverbs 22:6 Train up a child in the way he should go: and when he is old, he will not depart from it.**

**Romans 12:2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what *is* that good, and acceptable, and perfect, will of God.**

The Entertainment Industry is run by the Illuminati. 1<sup>st</sup> it is Satan or Lucifer, 2<sup>nd</sup> is the Superior General of the Jesuits who is the Black Pope, 3<sup>rd</sup> is The Jesuit Order, 4<sup>th</sup> is the Illuminati, and from the Illuminati it branches off to the Banking & Money Group and the Secret Society Group. You can check it out on this website by clicking on the “**IHS**” button at the bottom of the website and now we can continue.

The first part we will expose is the Music Industry. Many people aspire to make it in the Music Industry for fame, fortune, and recognition. I wanted to be famous and I went through all different types of music like Country, Heavy Metal, Electronic Rave

music and then ended up staying at Rap music and my journey finished at Rap. I wanted to be a famous rapper and I am glad I never pursued it.

Many young people or middle age people may want to be famous and be a part of the Music Industry but that is a deadly decision. The Music Industry does not care about you; you are just another number to them. If you find a connection that can get you in the Music Industry and you get your foot in the door it will be something like this:

They will take he or she to a room and have you sit down and make you as comfortable as possible and then offer you the drug of your choice if you do drugs. Then they will show you some houses of celebrities and tell you how nice the houses are and could you imagine having a house like that.

If you are male they may then take you in another room to a group of women that are super models and tell you pick the one you want and you can spend the night with her. The women would probably be under mind control but they wont tell you that. They may take you to a line of cars and tell you to pick one and all the cars are fast dream cars.

They may say “You can have anything your heart desires and we will make you famous even if you don’t have talent. You can have fame, fortune, respect and all you have to do is take a blood oath and sign your name in blood stating that you sold your soul to Satan for fame, fortune, respect and recognition.” This is an educated guess or hypothesis on what happens however, it hits pretty close to home. It is a generalized aspect of what happens. Lets see what the Bible has to say about it:

**Leviticus 5:4 Or if a soul swear, pronouncing with *his* lips to do evil, or to do good, whatsoever *it be* that a man shall pronounce with an oath, and it be hid from him; when he knoweth *of it*, then he shall be guilty in one of these.**

**James 5:12 But above all things, my brethren, swear not, neither by heaven, neither by the earth, neither by any other oath: but let your yea be yea; and *your* nay, nay; lest ye fall into condemnation.**

Then, if he or she signs and sells his or her soul then there is no way to get it back unless you go to the Lord Jesus Christ and He will cover that blood agreement with His blood and the blood oath agreement will be no more. That is the only way to get your soul back and there is no other way.

**Mark 8:36 For what shall it profit a man, if he shall gain the whole world, and lose his own soul?**

Once you sell your soul to the devil, right away you open up yourself to be demon possessed on a daily basis. You know belong to the Music Industry and they will tell you what to wear, when you make a video, what to sing about, or sometime they will write the lyrics for you and make you sing them.

Every time you are making a video or doing a performance you have to use satanic hand gestures or satanic symbolism or do both. You become an illuminati puppet and they pull the strings on you and make you do things even if you don't want to. The Music Industry (Illuminati) becomes your god and you serve them.

You obey your new masters and if you rebel against them they will first, destroy your image and if you don't stop the rebellion towards them they will kill you. What I mean by rebellion is that if you want to leave the Music Industry and start to talk out against the Illuminati or you don't want to do something that they ask, that can lead to death.

The Illuminati controls all the media and can make your name mud or just down right kill you and make it look like suicide or an accident. They are masters of deception and will do whatever they have to do to make things go in their favor. You will be just another blood sacrifice to Satan and your death will be on a date that corresponds to numerology. Numerology is the science of numbers and is 2,500 years old and Pythagoras was the creator of the science. The link is: "<http://www.whale.to/b/duke.html>" for more information.

Now, with all that said when you make your first album you will most likely be making the master at Mtv. Downtown Toronto Canada is where the Mtv studio is at and can you believe its inside a Masonic Temple. I have the link so you can see for yourself at "<http://youtu.be/Dg1bmMMOtTw>" and it shows you that Mtv is part of the Masonic Temple.

So, you might ask why Mtv is inside the Masonic Temple merged together as one? Well, that's a good question and I will tell you why. You see, when you make your master recording they take it into a room in the north part of the Temple inside a giant pentagram and on a full moon they (witches and wizards) conjure up evil spirits or demons into the master recording and the demons have to follow anything that comes off that master. The Bible says:

**Deuteronomy 18:10 There shall not be found among you *any one* that maketh his son or his daughter to pass through the fire, *or* that useth divination, *or* an observer of times, or an enchanter, or a witch,**  
**Deuteronomy 18:11 Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer.**

So, when you go to the store and buy the music compact disk and play it you are setting off a satanic virus that can demon posses anyone who listens to it. If you play it in your home you will invite demons in. This sounds wild and eccentric but it is the truth and you can check out this for yourself at: "<http://t.co/fEfAPdaj>" and there you go.

At first you may like working for the Music Industry or may even love it but eventually you will get tired of it. That is what many celebrities say because you have riches instead of peace, mercy, grace, love and patience that only come from Jesus Christ.

Once you sell your soul you will be depressed constantly and have to be inebriated just to cope with regular life.

That's why lots of rappers glorify drugs and are constantly using narcotics. Think about it, your soul is gone so your peace is gone and you have to find peace in something else and that something else is women, drugs or material possessions.

You probably won't sleep that well and some celebrities have said they have insomnia. The fact that you know that you are destined to hell can really mess up a person mentally. Since you sold your soul demon spirits can torment you and the devil can do whatever he wants with you.

You have no protection from that unless you call upon the name of the Lord. That is the only way out, by letting Jesus Christ take control, however, they will definitely try to kill you if you go that route. Do what the Lord says in full and you can make it out alive. If you try to leave without Christ you will most likely die. Dying for the Lord Jesus Christ is better.

**Psalms 116:15 Precious in the sight of the LORD is the death of his saints.**

**Matthew 10:39 He that findeth his life shall lose it: and he that loseth his life for my sake shall find it.**

Then, if you die without the Lord Jesus Christ the Lord will say:

**Luke 12:20 But God said unto him, *Thou fool, this night thy soul shall be required of thee: then whose shall those things be, which thou hast provided?***

**Matthew 25:41 Then shall he say also unto them on the left hand, Depart from me, ye cursed, into everlasting fire, prepared for the devil and his angels:**

You do not want to die without the Lord Jesus Christ because that is what everyone is searching for. There is a void in everyone's heart and Christ is the only one who can fill that void. Drugs, women, money, fame, respect are all just partial temporary satisfaction and do not have lasting effects. Jesus is the answer to every single question asked. Christ is the Creator and knows everything and if you seek him with all your heart he will give you the answers. The Bible says:

**Jeremiah 33:3 Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not.**

The Lord Jesus Christ is Musical and we know this because he made Lucifer with wisdom, beauty and ingrained music into Lucifer. Since God Almighty ingrained music into Lucifer we know that God loves music, however, the Lord loves music that is holy and is for worshipping him and only him. So this goes to show how powerful and beautiful the Lord Jesus Christ is who knows everything about everything. He is the

Creator of all things and just imagine how much more music knowledge the Lord Jesus Christ has than Satan.

Lucifer was the preacher of music, when he was holy the beautiful music that filled heaven came from him. When Lucifer fell from grace he corrupted his music and it became satanic. Once Lucifer fell his name became Satan.

**Ezekiel 28:12** Son of man, take up a lamentation upon the king of Tyrus, and say unto him, Thus saith the Lord GOD; Thou sealest up the sum, full of wisdom, and perfect in beauty.

**Ezekiel 28:13** Thou hast been in Eden the garden of God; every precious stone *was* thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created.

**Ezekiel 28:14** Thou *art* the anointed cherub that covereth; and I have set thee *so*: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire.

**Ezekiel 28:15** Thou *wast* perfect in thy ways from the day that thou wast created, till iniquity was found in thee.

**Ezekiel 28:16** By the multitude of thy merchandise they have filled the midst of thee with violence, and thou hast sinned: therefore I will cast thee as profane out of the mountain of God: and I will destroy thee, O covering cherub, from the midst of the stones of fire.

**Ezekiel 28:17** Thine heart was lifted up because of thy beauty, thou hast corrupted thy wisdom by reason of thy brightness: I will cast thee to the ground, I will lay thee before kings, that they may behold thee.

**Luke 10:18** And he said unto them, **I beheld Satan as lightning fall from heaven.**

**Isaiah 14:12** How art thou fallen from heaven, O Lucifer, son of the morning! *how* art thou cut down to the ground, which didst weaken the nations!

**Isaiah 14:13** For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:

**Isaiah 14:14** I will ascend above the heights of the clouds; I will be like the most High.

**Isaiah 14:15** Yet thou shalt be brought down to hell, to the sides of the pit.

Now that Satan is in control of music every kind of music is corrupted that you here on the radio. Satan made the drum beat and there was no drum beat in heaven just pipes, harps, cymbals, psalterys, trumpets, timbels and tabrets. Satan created the beat and now it is in every single type of music there is and the beat pulls on the flesh and puts you in a trance like state of consciousness.

The beat hypnotizes you and draws you in and could lead you into demon possession. This is an eccentric way of saying this and it may not happen to everyone but there is a chance. Plain and simple God Almighty did not have drums in heaven so what does that say about drums? They are not heavenly, they are not godly, drums came from the enemy and Satan took the beautiful gift God gave him and used it for his glory.

Music in my opinion is the vibration of sound and beats that flow into the temporal lobes of the brain, just behind the ears, which acts as the music center. If you have heard that the brain is a sponge, it is. Like a sponge in water it is changed by the music. If drugs are added it is that much worse. Music possesses us and can take over our bodies and our intentions. Music is extremely powerful and everyone needs to ask, "What am I listening to, what are they saying?"

Certain heavy metal music can make you pumped up and in an aggressive attitude such as mosh pits at a metal concert. Music can change a person's emotions in an instant. Music can pump you up, calm you down, and pull on your emotions and attitude like crazy. Some music has been known to lead young people to kill. Remember Columbine? Here is the link: "<http://www.youtube.com/watch?v=lrHFB2KP8fc>" and the proof that music can manipulate and control people to the point of killing.

Dancing in my opinion is place where you lose yourself and find yourself and when you relax and find yourself you become the music. If you dance to the beat you become that beat or if you dance to a guitar you become that guitar. Once you become that part of the music you portray the music through you by the fluidity and the flow of movement through you. The music becomes like an energy that flows through you like the Kundalini energy in Martial Arts and mysticism. To read more about that you can check out: "[Kundalini Rising Exposed](#)" on "[The Nazarite](#)".

So now you see how Satan has used the music to corrupt, kill, possess and manipulate through hypnotizing and mesmerizing sounds, beats and lyrics. The Music Industry is now using all this new age 4 on the floor beat to trance people out with occult and satanic symbolism along with the perverted and blasphemous lyrics. Satan is using his music ability to subdue us all into a New World Order. Lots of songs have talked about a one-world government through the years.

"We are the world," from Michael Jackson is about a one-world government and you can check out this on "They Sold Their Souls For Rock and Roll." The link is: "[http://youtu.be/4g\\_diStlSqm](http://youtu.be/4g_diStlSqm)" and you will see many more bands on there.

When you listen to music pay attention to the lyrics and read and see what they really mean and you will be surprised at what you find. Just because a song sounds cool does not mean it is good for you, the lyrics are going into your subconscious and almost every song is going to be about witchcraft, murder, drugs, one-world government, fornication, Satanism or something that is ungodly and some songs played backwards have a hidden meaning and you just have to know what your looking for and you will find out.

Nicholas Schreck, one of the top members of the Church of Satan talks openly on an interview about the control they have on society. Nicholas states, "We wage a gorilla war on human minds by using musical frequency, it is a dominant frequency used to awaken dormant aspects of the mind. Music is the instrument that most people respond to and the propaganda is to awaken the wolf in the people. The link is: "<http://youtu.be/4IC8QJ408Kg>" and is a must see video with lots of other informative facts and that will amaze you.

Almost all music is corrupted but there is still some nice praise and worship hymns and you can check them out at the "**Revival**" button right under "**Choose Your Poison**." All other music is pretty much corrupted even Christian Rock. They might use the word Jesus but it is the same as regular Rock. Many Christian Rock artists have the influence of the devil in their music and try to make it seem like its Christian. Here is the link to "What's wrong with Christian Rock," "<http://www.youtube.com/watch?v=ar23AmS3oMo>" and I urge you to check it out and see the truth for yourself.

Then we will go to Christian Hip Hop which is the same as everything else and is also corrupted because remember the Lord does not like the beat. The link is: <http://www.youtube.com/watch?v=8VXZzhomlQ0> and hope you get some insight to this so-called holy Hip Hop. You can't take the gospel of Jesus Christ and put a beat behind it when Satan created the beat and that is like putting ice cream on feces. Are you going to eat that? That sounds sick but when you take Jesus and mix Him with evil, the two do not match. You are taking something Satan created (the beat) and mixing it with the purity of the gospel of Jesus Christ. The Lord told me the beat is evil and that is that.

Now we can move to the second part, which are movies. The illuminati use movies and TV shows to tell the future of events that are going to happen as a mockery to society. People can say, "Its just a movie, it does not mean anything," movies and TV shows are in the same family as the music with hidden occult meanings. Movies are preparing you for what is soon to come and the illuminati tell the truth in hidden meanings and symbolism. This in another form of conditioning your mind to what is soon to come, which is the New World Order.

Here is one link to get it started: <http://www.youtube.com/watch?v=gMKlMyzu3J0> and it shows what we are talking about and how Satan has got a-hold of not only music but movies as well. When you see all these new movies coming out they all have hidden meaning and all mean something.

Hollywood is called the dream machine or also known as holy wood meaning a piece of wood that magic wands were made out of in Pagan sorcery magic. It puts people in a trance and controls them. Think about it, they put you in a black room or theater and when you watch the movie you are put in a trance or suspended state. It is magic, a purging cathartic experience; they are doing witchcraft on you. By watching the news or movies, you watch the tragedy of others and feel safe and complacent. It is all intended to

put you in a suspended state and when you are in a suspended state you are more apt to believe imagination.

All movies now have an illuminati influence on them and are conditioning your mind to accept something. The Harry Potter movies teach kids that witchcraft is cool and that you should be a warlock or witch subconsciously and the movie may have good witchcraft forces and bad witchcraft forces but witchcraft is bad no matter what. White magic and Black magic both come from the devil. Both are an abomination to the Lord Jesus Christ. Lord of the Rings is the same thing glorifying magic and spells indoctrinating kids into the occult.

Movies predict things that are going to happen before they happen and the illuminati get a kick out of it. It is called predictive programming and is a form of physical conditioning that is a tool used against you and I. People are not just being entertained when they watch their favorite show they are also being conditioned. This programming is conditioning our minds to accept a certain way of thinking things. When people watch their reality shows and see their favorite character react a certain way they are influenced to react the same way.

An example of predictive programming is plots of viral infections used in movies to program the public to fear in times of viral epidemics. The public can be programmed into being quarantined and accepted in to living in camps where they can be seen by the military. The only way to survive the epidemics is to take a vaccine and this conditions people in real life to take vaccines or flu shots. In order to establish a NWO there must be chaos. It is about getting the horrors ready by planting fear in the thoughts of the viewers. These fears and horrors may become a reality one day and they will be ready to accept it. Simply said, "Order out of chaos."

Hidden in plain sight is the act of putting symbolism right in front of everything so you can see it up front. However, you may not see it right away, it may be in the background or on someone's shirt or hand gesture. It is hidden symbolism in plain sight but you just have to see it. Remember the game "Where's Waldo" and you have to look till you find him. That is what hidden in plain sight is. These are some of the programming methods used by the illuminated ones. Jesus said:

**Luke 8:17 For nothing is secret, that shall not be made manifest; neither any thing hid, that shall not be known and come abroad.**

**John 18:20 Jesus answered him, I spake openly to the world; I ever taught in the synagogue, and in the temple, whither the Jews always resort; and in secret have I said nothing.**

Anton Levy said that the TV has become a god to society and is used to usher in Satanism, the New World Order and take out Christianity. You can watch all the videos that are on the "**TV Demon**" button at the bottom of the website.

There are five types of brainwave patterns that our minds can go into and the Alpha Brain Waves has to do with television and how we can get in a relaxed meditative state where your brain is quite focused and highly suggestible. Television advertisers have seized on this effect on television and brain function for their television commercials. When people watch most television programs, they are quite suggestible. Thus a claim made in favor of a specific product, on some level, cause the person watching television to be more apt to believe it.

Here are the 5 categories Brainwaves fall into:

Beta, Alpha, Theta and Delta Brain Waves

Twenty-four hours a day, your brain fires off electrical impulses at a speed that makes the fastest computer in the world seem slow by comparison. If you were hooked up to an EEG machine for 24 hours straight, without saying a word, your brain waves would give a pretty good picture of how you're feeling just by your brain wave activity. Brainwave states fall into 5 categories.

Delta Brain Waves: 0-4 Hz (cycles per second)

Delta brainwaves are the slowest brainwave activity. Delta brain waves occur during deep, dreamless sleep and are seen predominantly in newborns and infants. Delta brainwaves rarely occur in adults.

Theta Brain Waves: 4-8 Hz (cycles per second)

Theta brainwaves are the second slowest brainwave activity. Theta occurs when your conscious mind is disengaged, such as in dreaming sleep, REM (rapid eye movement) sleep and deep meditation or self-hypnosis. Many adults only attain the Theta brainwave state in their sleep, and cannot seem to reach or sustain the Theta state when they are awake. Interestingly, the planet Earth resonates at a Theta frequency of 7.83 Hz, a frequency known as Schumann Resonance.

Alpha Brain Waves: 8-12 Hz (cycles per second)

Alpha is a state of relaxation and daydreaming and the state associated with pre-sleep and pre-waking drowsiness. Alpha brainwaves are associated with an effortless state of consciousness. Watching television can induce your mind to slip from Beta to the Alpha state, and children tend to play in Alpha. Serotonin release occurs in the Alpha brain wave state, at about 10 Hz.

Beta Brain Waves: 12-30/34 Hz (cycles per second)

Beta brain waves are known as the awake state, indicating a strongly engaged mind. The Beta brainwave state is where we focus, learn, create, study, memorize, write and function in our day-to-day lives. Low Beta is associated with concentration and alertness and higher levels of Beta activity are associated with stress, anxiety and fight or flight reactions. Lack of low beta activity is associated with disorders such as depression, ADD, addiction, OCD and other anxiety disorders.

Gamma Brain Waves: 30/34 – 100+ Hz (cycles per second)

Gamma waves are the brain's optimal frequency associated with increased compassion, optimal brain function, awareness of reality and increased mental abilities. Though more rapid than beta waves, gamma brainwaves have virtually unnoticeable amplitude and can be found in every part of the brain. Gamma waves serve as a binding mechanism between all parts of the brain and help to improve brain function and perception.

The third part of this series will be about wrestling in the Entertainment Industry. Wrestling is a big part of entertainment because now-a-days people like to see the violence, arguing, fighting and it has become like ancient Rome where the gladiators had a blood soaked arena. It seems that we are getting back to those old days and repeating history. Because of wrestling in the Entertainment Industry kids see all this wrestling and start copying all these moves in their backyard and start suplexing and body slamming each other on tables along with beating each other with chairs and having the World Wrestling Federation in their backyard. You can check out this link at <http://www.youtube.com/watch?v=4u1z0NDZy5U&feature=youtu.be> and it expands and elaborates on the subject we just talked about.

This is the Entertainment Industry's entire fault for providing all this violence. Kids will mimic anything they see on TV and that has already been proven. When I was a kid I used to love to watch wrestling and would want to practice wrestling moves and wanted to be just like the wrestlers on TV. All the way up to high school I loved and wanted to be a WWF wrestler. My friend Danniell Zubiato and myself would practice wrestling moves in the gymnasium at Hanks High School. He could hold me up in a suplex for many seconds and I would keep my legs together while he had me up in the air and then we would fall on gymnastic mats, then I pretend my back was hurt and then hit him and he would look like I hit him so very hard even though I did not.

We both wanted to be in the World Wrestling Federation and be wrestlers. We could do the back breaker, front hip toss, suplex, body slam, and were starting to learn the package. I called Danny, Razor and he called me Perfect. The names came from Razor Ramon and Mr. Perfect. They were professional wrestlers for the WWF. Danny would do the Razor's edge, which was Razor Ramon's finishing move, and I would do Mr. Perfect's Perfect plex, which was Mr. Perfect's finishing move.

Razor Ramon's real name is Scott Hall and he is still alive but is a severe drug addict. Curt Hennig was Mr. Perfect and Curt Hennig is dead and died of acute cocaine intoxication. His father said that the steroids and painkillers also contributed to his death. You can check out this link so you can see these wrestlers for yourselves. The link is [http://www.youtube.com/watch?v=3NQzu\\_sdyN0](http://www.youtube.com/watch?v=3NQzu_sdyN0) and it seems that lots of wrestlers end up drug addicts, dead, depressed, commit suicide all for fame & fortune. They sold their soul to Satan and it is not worth it to sell your soul and get what you can out of life because you will just end up in hell.

Wrestling desensitizes our youth into violence and brings Satanism along with it. Here is another link at <http://www.youtube.com/watch?v=ePdfPqS-PKg> so you can check it out and maybe learn something.

I used to think this wrestling match was funny but now I see that you are laughing at someone's soul that has been dammed to hell. It's not that funny to me anymore. If Scott Hall and the 123 Kid don't repent to the Lord Jesus Christ they will end up in hell. Here is the link <http://www.youtube.com/watch?v=obwnbKlbysM> and it's not funny to me anymore.

**Genesis 6:5 And GOD saw that the wickedness of man *was* great in the earth, and *that* every imagination of the thoughts of his heart *was* only evil continually.**

**Genesis 6:6 And it repented the LORD that he had made man on the earth, and it grieved him at his heart.**

**Genesis 6:11 The earth also was corrupt before God, and the earth was filled with violence.**

**Genesis 6:12 And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth.**

**Proverbs 22:24 Make no friendship with an angry man; and with a furious man thou shalt not go:**

**Proverbs 22:25 Lest thou learn his ways, and get a snare to thy soul.**

This all links to a time in my life where I was wrestling with this guy Rick and got the upper hand on him and that night I pretty much beat him. Rick's Brother was ragging on him because he lost and then I ended up leaving. Then later one day Rick calls me and I had been drinking and smoking for like 2 days with no sleep with all my friends and my cousin. Rick invited me over and all my friends to his apartment but my friends wanted to stay at my house. I told them, "Lets go over there," so we went to Rick's apartment.

When we got there, we started drinking more and Rick wanted to play 30 seconds which means wrestling for 30 seconds. He asked Robert if he wanted to play and Robert said no because he had been drinking for 2 days and then asked me if I wanted to play and Robert told me, "Don't do it man, you have been up for two days drinking," but the pride in me said, "Okay."

So we began to wrestle and I got him in a headlock and then later he turned it around on me and when he did I could not get out of it and I was already getting tired. I should have tapped out but I did not and somehow thought I would eventually get out but I never did and I passed out and got blue in the face. Rick kept me in the headlock even though I was already passed out and Robert told me when I came back from being passed out that he had to keep hitting Rick in the head until he let go of me. Finally, Rick let go of me and Robert said, "You're face was purple man and you barely started to breathe, I told you not to do that." Praise God for Robert! He was the only one that took care of my life or I would be in hell right now burning. Those 30 seconds turned into many minutes.

All because of my pride and that I loved wrestling, I was going to be a wrestler, and the influence of wrestling from the Entertainment Industry since I was a kid, not caring that I had been drunk for 2 days straight, just jumping in the ring and being made the fool and almost dying because of it. All because of pride and the bad influence that the Entertainment Industry had on me. This kind of stuff happens to kids and it is highly dangerous. It's actually better not even to watch TV.

**1John 2:16 For all that *is* in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world.**

The fourth part of this series is the video game industry which is making New World Order games that range from 1<sup>st</sup> person shooter games, satanic games, the new god of war and many others that are loaded with killing people, sex, nudity, witchcraft, conjuring up demons, soon to come antichrist games and they all serve the same purpose and lead us to the same place which is straight into the New World Order.

The 1<sup>st</sup> person shooter games that are coming out and that are already here are incredibly real; it looks like you are shooting real people and it is a way to desensitize kids and whoever plays these killing games. It takes the emotion off people when killing another human being. It is training our youth at a young age to get good at 1<sup>st</sup> person shooter games and join the military and go to war and kill people without feeling guilt, remorse or any kind of emotion. These 1<sup>st</sup> person shooter games look so real, are we really going to tell the difference between reality and games?

The illuminati dumb us down with all these horrible games that break the moral code of life, Christianity and Jesus Christ. Some of these games have sexual promiscuity, homosexuality, lesbianism, or several different women with one man. The Bible says:

**Leviticus 18:22 Thou shalt not lie with mankind, as with womankind: it is abomination.**

**Romans 1:26 For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature:**

**Romans 1:27 And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet.**

**1Corinthians 6:9 Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind,**

**Revelation 21:8 But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have**

**their part in the lake which burneth with fire and brimstone: which is the second death.**

All these games have the same thing that the movies have like the predictive programming and desensitize the person who plays them and to contaminate and kill your soul strait to hell. The music, movies and video games are all linked together as one.

Which poison do you want? They want your soul and if one way does not get it the other will.

We are now at the fifth part of this series and that would be Sports. Sports have been around a long time and been popular since the prehistoric period in many civilizations. The origins of the different kinds of sports may vary from nation to nation. Sports came from quite a few places. The first sport that was invented was hunting or war related. Then the Mayans came up with a game that looked like soccer, but if you lost you were put to death.

The Olympics started in Olympia Greece and the games were held every four years and the first Olympic game was recorded in 776 BC; that was about 3,000 years ago. At the time this great festival took place to honor the Greek gods. One god, in particular, the most important god was called Zues. So you can already see where this is leading to and sports did not come from the Lord Jesus Christ. They came from Satan, and all sports are linked together in order to entertain you.

The 2012 London Olympics are full of occult symbolism and you can check it out at <http://www.henrymakow.com/olympics-blatant-occult-symbolism.html>

So plain and simple if you research all the roots of all sports they all are ungodly, so it is safe to say if they did not come from the Lord Jesus Christ. So who made sports? The devil made sports, he used people long ago to make them and he knew that people would worship them. It worked long ago and it works now.

The illuminati use sports to hypnotize you and do rituals right in front of you. Sports of all kinds and movies, music and video games are all just a cover to hide the real situation at hand and that is the constant working and soon to be New World Order. Its all about keeping the sheep entertained and if they do not like one form of entertainment then you have lots of other's to choose from. The technology is getting better by the second so everything is that much more enticing. The Bible says:

**Deuteronomy 8:19 And it shall be, if thou do at all forget the LORD thy God, and walk after other gods, and serve them, and worship them, I testify against you this day that ye shall surely perish.**

The sixth part of this series will be about blood sacrifices you have to do if you are in the Entertainment industry. In the Entertainment Industry if you want to be a part of the 20 million club and above you will have to make a human blood sacrifice. There are two types of sacrifices in the Industry, first is a blood sacrifice for fame and the other

is, human solstice sacrifice. Betray or be betrayed, sacrifice another or be sacrificed. You have to stay at the top and do exactly what the illuminati wants or they will take you out.

If you want more fame you have to blood sacrifice someone, just like Ryan Dunn from Jackass, Ryan Dunn was made a blood sacrifice from Bam Margera for more fame. Lina Morgana was made a blood sacrifice from Lady gaga, Whitney Houston was a blood sacrifice, Michael Jackson, 2 pac and many others.

It is part of the game in the Entertainment Industry and that is how you move up even if you sacrifice family members. It gets crazy and horrific but the Industry does not care. Some or all performers go through satanic ritual abuse and this is where they just lose their mind. This is what people in the Entertainment Industry go through and just escalates as time goes on. . Then in an interview, Corey Feldman talked about pedophilia in Hollywood and here is the link: <http://www.youtube.com/watch?v=8laJvR5gc6g>

The seventh and last part of this series is Monarch Programming or MK-ULTRA. Monarch mind control is named after the Monarch butterfly – an insect who begins its life as a worm (representing undeveloped potential) and, after a period of cocooning (programming) is reborn as a beautiful butterfly (the Monarch slave). Some characteristics specific to the Monarch butterfly are also applicable to mind control.

Project MK-ULTRA ran from the early 1950s to at least the late 1960s, using American and Canadian citizens as its test subjects. The published evidence indicates that Project MK-ULTRA involved the use of many methodologies to manipulate individual mental states and alter brain functions, including the surreptitious administration of drugs and other chemicals, sensory deprivation, isolation, and verbal and physical abuse.

The most publicized experiments conducted by MK-ULTRA involved the administration of LSD on unwitting human subjects, including CIA employees, military personnel, doctors, other government agents, prostitutes, mentally ill patients, and members of the general public, in order to study their reactions.

However, the scope of MK-ULTRA does not however stop. Experiments involving violent electroshocks, physical and mental torture and abuse were used in a systematic matter on many subjects, including children. For more information the link is <http://vigilantcitizen.com/hidden-knowledge/origins-and-techniques-of-monarch-mind-control/> and you can read for yourself on how it works.

Brainwashing is a system of befogging the brain so a person can be seduced into acceptance of what otherwise would be abhorrent to him. He or she loses touch with reality. Fact and fantasy get whirled around and change places. However in order to prevent people from recognizing the inherent evils in brainwashing, the Reds pretend that it is only another name for something already very familiar and of unquestioned respect such as education or reform. “Edward Hunter on brainwashing.”

The secret of mind control is to change people outside of their awareness so they do your bidding without realizing that that's what they're doing. "History Channel."

We are truly in a war. It is not the war we imagine we are in, which is the way our adversaries want it. It is not a foreign war against a foreign enemy. It is a war on the conscious, a war on our minds. The global war on terror that is being fought around the world is an embodied reflection in the material world of a deeper more fundamental war that is going on in the realm of consciousness itself. "Paul Levy, June 2007"

So as you can see the New World Order is brainwashing and mind controlling the world through sports, music, movies, wrestling, video games and any other kind of entertainment you can think of. The Entertainment Industry is keeping people fat and stupid through all these forms of entertainment in order to keep your eyes off the soon to be One World Government. The food is tainted and poisoned along with the tap water and the illuminati have to kill off 80% of the world.

The government is not your friend and it makes no difference to "**vote**". Do you actually think one candidate can fix all the problems? Democrats, Republicans are in the same boat together, on the same team ushering in the New World Order and it will be here and there is nothing anyone can do except, giving your life to Jesus Christ and getting raptured up out of here. Nobody knows when that will take place but all we can do is trust in the Lord Jesus Christ.

**1Corinthians 15:52 In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.**

**1Corinthians 15:53 For this corruptible must put on incorruption, and this mortal *must* put on immortality.**

**1Corinthians 15:54 So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory.**

**Revelation 22:7 Behold, I come quickly: blessed *is* he that keepeth the sayings of the prophecy of this book.**

**Revelation 22:11 He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still.**

**Revelation 22:12 And, behold, I come quickly; and my reward *is* with me, to give every man according as his work shall be.**

**Revelation 22:13 I am Alpha and Omega, the beginning and the end, the first and the last.**

**Revelation 22:14 Blessed *are* they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city.**

From Chris Fuller

YOU CAN HAVE SALVATION, BUT ONLY ON ONE CONDITION;  
That you are totally sold out to Christ, you don't have any personal rights, you no longer have any right to do anything. You will be a servant. You are in essence signing your own death warrant because Satan will hate you and try to kill you. You are gaining eternal life and citizenship in heaven. You give up your life here on earth to gain life in heaven.
