

# The Nazarite

Not by might, nor by power, but by my spirit, saith the LORD of hosts.  
Zechariah 4:6 b

## Kundalini Rising Exposed

**Revelation 12:7** And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels,

**Revelation 12:8** And prevailed not; neither was their place found any more in heaven.

**Revelation 12:9** And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

**1Timothy 4:1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;**

**1Timothy 4:2 Speaking lies in hypocrisy; having their conscience seared with a hot iron;**

**1Timothy 4:3 Forbidding to marry, *and commanding* to abstain from meats, which God hath created to be received with thanksgiving of them which believe and know the truth.**

The serpent that deceived Eve in the Garden of Eden is the same serpent that is in the Kundalini. Kundalini is the vital force lying dormant within one until activated by the practice of yoga, which leads one toward spiritual power and eventual salvation. Chakras are energy centers. We have seven and they work together to help us on our journey to completeness, enlightenment and self-awareness. That is what Dictionary.com has to say about Kundalini and Chakras. There are 7 Chakras or Associated Meridians that are located on the spine.

The 1st Chakra starts at the very bottom of the spine and is the base root where the sex glands or the Testes or Ovary are located, 2nd is Sacral Central or where the Adrenals are, 3<sup>rd</sup> is Solar Plexus Navel or where the Pancreas is at, 4<sup>th</sup> is Heart, 5<sup>th</sup> is throat or where Throid & Thymus are at, 6<sup>th</sup> is Brow or where the Pituitary & Hypothalamus are located also known as the Third Eye and, 7<sup>th</sup> is the Crown Chakra or where the Pineal Glands are. This Kundalini energy is coiled up at the base of the spine in every person and can be awakened by breathing techniques such as (Breath of fire) and exercises such as Yoga.

Yoga and breathing techniques eventually can bring upon a Kundalini Awakening. So it is safe to say that Kundalini Rising is the Serpent Rising from the bottom of the spine going up from Chakra to Chakra till it gets to the Pineal Glands and you get your third eye. That's why some Buddhist have a painted red dot between their eyes because that dot between their eyes is representative of their third eye.

The Serpent in the Garden of Eden came to lie, cheat, kill, and destroy and the same goes for Yoga and Kundalini energy. The serpent in the garden said,

**Genesis 3:2 And the woman said unto the serpent, We may eat of the fruit of the trees of the garden:**

**Genesis 3:3 But of the fruit of the tree which *is* in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die.**

**Genesis 3:4 And the serpent said unto the woman, Ye shall not surely die:**

**Genesis 3:5 For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil.**

Yoga is about self-realization, achieving godhood, opening your third eye and all about self when we are to use this human body to do the will of the Father who is in heaven. Do what the Lord Jesus Christ wants, not what we want.

In Yoga they worship creation rather than the Creator. Kundalini is not a savior and cannot bring eventual salvation but it will bring everlasting damnation.

**Acts 4:12 Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.**

**Romans 1:16 For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek.**

**Philippians 2:12 Wherefore, my beloved, as ye have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling.**

**John 14:6 Jesus saith unto him, **I am the way, the truth, and the life: no man cometh unto the Father, but by me.****

So there you go, Jesus Christ is the only path to heaven and the only path to salvation. Any other so-called way is of the Devil. The Devil is good at what he does and we all have to be careful not to be deceived. That goes with Yoga, don't be deceived because the Devil's main intent for Yoga is for the participant to become demon possessed and lose their soul.

All mystical practitioners believe that death is unreal. So basically they don't believe in heaven or hell.

**John 5:24 Verily, verily, I say unto you, He that heareth my word, and believeth on him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life.**

**Revelation 21:8 But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.**

I talked to a Yoga instructor once and he said that the Kundalini spirit is an extension of the Holy Spirit and that is a total deception because the Holy Spirit comes from God the Father and Kundalini energy is serpent energy. The Serpent and Christ do not go together because the Devil is the Serpent and Jesus Christ is the second part of the Godhead and is the name which is above every name.

**Philippians 2:9 Wherefore God also hath highly exalted him, and given him a name which is above every name:**

So, plainly stated the Holy Spirit is the third part of the Godhead and comes from God the Father and the Kundalini spirit is of the Devil.

The Lord God Almighty created Lucifer or the anointed cherub that covers. He was the combined brilliance of every precious stone. He was as valuable as the most costly stones and as beautiful as the colors of the rainbow. The problem was that the stones do not give off light themselves; they only reflect light. He evidently forgot this most important truth as he was puffed up with pride.

Lucifer was beautiful; he was assigned to cover the angels and the land of Eden. The stones indicate that he was part of a worshipping host. He was musical and music was ingrained in him. He knew the secrets of creation and life. Lucifer got kicked out of heaven and all his angels that were with him and was now called Satan. Satan is jealous of God and wants to be God. He was made with wisdom and beauty.

**Ezekiel 28:12 Son of man, take up a lamentation upon the king of Tyrus, and say unto him, Thus saith the Lord GOD; Thou sealest up the sum, full of wisdom, and perfect in beauty.**

**Ezekiel 28:13** Thou hast been in Eden the garden of God; every precious stone *was* thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created.

**Ezekiel 28:14** Thou *art* the anointed cherub that covereth; and I have set thee *so*: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire.

**Ezekiel 28:15** Thou *wast* perfect in thy ways from the day that thou wast created, till iniquity was found in thee.

**Ezekiel 28:16** By the multitude of thy merchandise they have filled the midst of thee with violence, and thou hast sinned: therefore I will cast thee as profane out of the mountain of God: and I will destroy thee, O covering cherub, from the midst of the stones of fire.

**Ezekiel 28:17** Thine heart was lifted up because of thy beauty, thou hast corrupted thy wisdom by reason of thy brightness: I will cast thee to the ground, I will lay thee before kings, that they may behold thee.

**Luke 10:18** And he said unto them, **I beheld Satan as lightning fall from heaven.**

**Isaiah 14:12** How art thou fallen from heaven, O Lucifer, son of the morning! *how* art thou cut down to the ground, which didst weaken the nations!

**Isaiah 14:13** For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:

**Isaiah 14:14** I will ascend above the heights of the clouds; I will be like the most High.

So you can see Satan can win souls to his kingdom by Yoga, Martial Arts or any kind of Kundalini or meditating activity along with selling your soul or any other satanic involvement. When Michael Jackson would dance demon possession would happen to him. Michael said on an interview that once he started dancing energy would take him over and he was just along for the ride. When Oprah Winfrey asked Michael Jackson why he grabbed his crotch he said that he had no control over it and that he was just dancing. That demon or Kundalini energy flowing through Michael made him grab his crotch.

Music in my opinion is the vibration of sound and beats that flow into the temporal lobes of the brain, just behind the ears, which acts as the music center. If you have heard that the brain is a sponge, it is. Like a sponge in water it is changed by the music. If drugs are added it is that much worse. Music possesses us and can take over our bodies and our intentions. Music is extremely powerful and everyone needs to ask, "What am I listening to, what are they saying?"

Dancing in my opinion is place where you lose yourself and find yourself and when you relax and find yourself you become the music. If you dance to the beat you become that beat or if you dance to a guitar you become that guitar. Once you become that part of the music you portray the music through you by the fluidity and the flow of movement through you. The music becomes like an energy that flows through you like

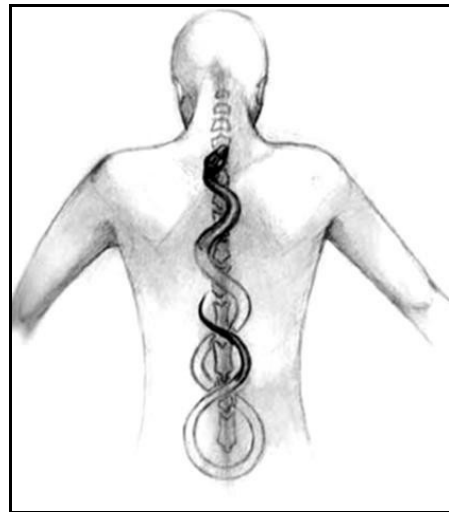

the Kundalini energy in Martial Arts and mysticism. To read more about this you can check out “**The Entertainment industry Indoctrinating Society Into The New World Order**” on “**The Nazarite.**”

**Psalms 149:3** Let them praise his name in the dance: let them sing praises unto him with the timbrel and harp.

**Psalms 150:4** Praise him with the timbrel and dance: praise him with stringed instruments and organs.

**Ecclesiastes 3:4** A time to weep, and a time to laugh; a time to mourn, and a time to dance;

There are vibrations and vibratory levels in the Kundalini awakening. You can read all about this but let me warn you that this article is demonic and deceiving because it glorifies Yoga and meditation. The link is “**<http://www.indiyogi.com/content/kundalini/vibrations.aspx>**” and you can read about the vibration and vibratory levels of the Kundalini awakening.

That leads me to a dream I had awhile back. I was with my old friend Billy Wadd and he came up to me and said, “Take this vibration and use it.” So Billy put both hands down and energy flowed from him into me and I took this energy right away and started to levitate and dance in the air. I was floating on the air and breaking and doing incredible Kundalini dancing similar to Michael Jackson but 5 feet above the floor floating on air doing incredible dancing like the moon walk and lots of other moves intertwined together.

It was incredible dancing and you would have had to be in the dream to see it. I keep this up for a while till eventually when I start to levitate and dance I lose control of the energy and when I am levitating 5 feet in the air the energy starts flinging me all around and slamming me into the walls and beating me up. I eventually have no control of the energy and then I wake up and the Lord God Almighty told me that the dream is symbolic of what can happen in a Kundalini awakening or Yoga. How the Kundalini can work against you and could end up hurting you bad. People can get unexpected jolts and uncontrollable spasms and you can check this out at “**<http://www.youtube.com/watch?v=2X1HC-3s3uI>**” and is a must see and totally debunks the Kundalini energy.

You can also read a chapter out of the book, Yoga And The Body Of Christ and it is very informative on learning that Kundalini is an evil energy that comes from Satan. The link is “**[http://www.fmh-child.org/Yoga\\_And\\_The\\_Body\\_Of\\_Christ.pdf](http://www.fmh-child.org/Yoga_And_The_Body_Of_Christ.pdf)**.”

Satan is the smartest created being there ever was so he can deceive in all lengths and measures of life. He twists the Word of God in so many ways like Catholicism, Mormonism, Jehovah's Witness, 7<sup>th</sup> Day Adventist, Hinduism, Buddhism, and Taoism.

All Martial Arts, Yoga, and mystical practices learn how to use the Kundalini energy either knowingly or unknowingly. Guiding spirits are evil spirits and all the spiritual benefits you get from Yoga or any other practice are evil spirits and false healing spirits. We are never to let our minds meditate on clearing out all our thoughts and just focusing on nothing and blanking out our minds because that can lead to demon possession. The Bible says:

**2 Corinthians 10:5 Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;**

It seems that if you want to achieve deep states of meditation in Yoga it's better that you become a vegetarian. Meat eating inhibits you from achieving deep states of meditation because it negatively affects the energy body. The yogic practice of nonviolence prevents yogis from eating animals because it's violent to take a life of another living being. Now, Satan tries to make it all soft and sweet, Yoga is nonviolent and we don't kill animals for food because that's taking a life of a living being.

How can Yoga be bad, we are sweet peaceful vegetarians that don't kill animals for food so how can Yoga be bad or evil? Now you can see how the enemy works his deception by making Yoga look so innocent. Meat is for spiritual warfare; the meat turns to protein and goes to the muscles. Meat is not just used to bulk up and get big through workouts but it's also for spiritual warfare.

So the old Serpent power does not want you eating any kind of meat because the devil knows that meat is for spiritual warfare and how are you going to open up to demons through meditation if you have spiritual warfare power (meat) in your system. You still can be demon possessed if you eat meat however, it's a lot easier to get demon possessed if you are a vegetarian and don't eat meat. Lets see what the Bible says:

**1 Timothy 4:3 Forbidding to marry, *and commanding* to abstain from meats, which God hath created to be received with thanksgiving of them which believe and know the truth.**

**1 Timothy 4:4 For every creature of God *is* good, and nothing to be refused, if it be received with thanksgiving:**

Now, when you fast as a Christian for the Lord Jesus Christ you are sacrificing your flesh and lifting up the Holy Spirit. You are saying no to the flesh and yes to the Spirit. A Christian can be very powerful if fasting and praying because you are fasting for the Lord Jesus Christ and you are telling the Lord that I rather eat spiritual food rather than real food. You fast to find out guidance or hard questions that only the Lord knows about or you may be fasting for someone who needs help. When you fast you are

humbling yourself to the Lord and you are in close communion with God Almighty. You could be eating delicious food but you are fasting and God appreciates your suffering. You get a strong spiritual breakthrough fasting.

**Joel 2:12 Therefore also now, saith the LORD, turn ye *even* to me with all your heart, and with fasting, and with weeping, and with mourning:**

**Joel 2:13 And rend your heart, and not your garments, and turn unto the LORD your God: for he *is* gracious and merciful, slow to anger, and of great kindness, and repenteth him of the evil.**

**Acts 14:23 And when they had ordained them elders in every church, and had prayed with fasting, they commended them to the Lord, on whom they believed.**

Now, if you are fasting for Yoga and to have a stronger meditation you are opening yourself up to strong demon possession because you don't have the Lord Jesus Christ. If you do Yoga and call it Christian Yoga you have a problem because you can't serve two masters.

**Luke 16:13 No servant can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.**

So if you are fasting in Yoga for a higher state of consciousness then, the enemy and his minions can overtake you very easily because you are in essence fasting for Satan. There have been stories of people while in their deep meditation some incredibly scary things have happened and it chased them away from Yoga. Don't play with the Serpent because he is slippery, deceiving and he will win. If you are in this kind of trouble, this is the solution:

**Romans 10:13 For whosoever shall call upon the name of the Lord shall be saved.**

The Lord Jesus Christ has nothing to do with Yoga and hates it. Yoga is just another ploy for Satan to get your soul. Be aware and be alert:

**1 Peter 5:8 Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:**

From Chris Fuller

YOU CAN HAVE SALVATION, BUT ONLY ON ONE CONDITION;  
That you are totally sold out to Christ, you don't have any personal rights, you no longer have any right to do anything. You will be a servant. You are in essence signing your own death warrant because Satan will hate you and try to kill you. You are gaining

eternal life and citizenship in heaven. You give up your life here on earth to gain life in heaven.
