

The Nazarite

Not by might, nor by power, but by my spirit, saith the LORD of host.
Zechariah 4:6 b

Mike Corona Exposed

At about the mid part of March Mikey had wrecked his car and I noticed it when I drove by his house on the way to Walmart to pick up some groceries. When I drove past Mikey's house I was like, "whoa!" I couldn't believe that Mikey's car was wrecked and the Lord told me, "That's what happens when you don't listen to me." I was like, "wow," Don't play with God, He aint nothing to play with. So when I got home the Lord made me go take a picture of Mikey's wrecked car and I had no idea why but I did. I now know why, because that picture is in this sermonet. I walked to a house before Mikey's and was able to get a good shot so I took it and left.

One day I talked to Mikey on the phone and he said that he was taking his brother to work and it was a snowy and icy day with the roads slick and crazy. On that day I did not go anywhere and Bruce and me did not go out to eat that night because of the weather, so it had to have been a Thursday in the mid part of March. Anyway, Mikey went to take his brother to work. During this trip Mikey was headed somewhere by Bassett center or something like that. Mikey said that he heard a voice tell him don't go there because you are going to get in a wreck. The voice told him to leave his jacket on because it was going to help him in the wreck he was about to have. Mikey said, "I thought I was tripping because I heard this voice."

Mikey was on I10 and this 18 wheeler was in front of him and Mikey said that this 18 wheeler cut him off and did not see him because Mikey was in the 18 wheeler's blind spot. So the 18-wheeler clipped Mikey and he spun out and slammed head on into a track unit or barrier and his jacket helped him out because had he not been wearing a jacket the injury would have been that much more worse. Mikey said that if he would have hit any harder he could have been paralyzed. Mikey said that at one point he was going to

take of his jacket but he decided to leave it on. That voice Mikey heard was the Lord God Almighty warning Mikey.

On 4/6/2013 I took Mikey and his mom to the bank for his mom to cash an \$80.00 dollar check that Mikey's mom made cleaning a friends house. His mom cashed the check and gave me ten dollars for the gas I had used and I thanked her for the money. Mikey's mom said that the Lord told her to give me the ten dollars, thank you Jesus, and thank Mikey's mom for being obedient to God. When we were in the line at the bank waiting we just talked. I told Mikey that God was after him and wanted him back and asked him how he was doing.

Then Mikey's mom started talking and she said, "How come when I pray at home I can't hear or feel the presence of God but when I leave my home I am able to hear him?" Mikey said, "Its probably something in the house that's not suppose to be there." I asked Mikey what it was that was in the house that would hold back the Holy Spirit but he said nothing. Not even thinking of like drugs, I said, "Do you have any Catholic items in the house and Mikey said, "No, we don't have any Catholic stuff. At that moment I did not even think about drugs till later when I got home and thought about it and prayed.

Once I dropped off Mikey and his mom Mikey said that he would come over to my house a little later. When I got home I prayed and thought about what was said and what the Lord told me was that I had to tell Mikey that he had to throw out and get rid of that accursed thing that was in his house. This was all done so that Mikey's mom would have a clean house so the Holy Spirit could indwell her home and could feel the presence of God and also hear the voice of truth which originates from the Father then is spoken through the Son Christ Jesus and is delivered through the Holy Spirit.

Any time you bring in secular music or pornographic films, dugs or anything that God Almighty hates you are bringing in demonic spirits into your home and it makes it hard to hear from God and the Holy Spirit is not welcome where demonic spirits are at. Mikey's sin was hindering his mom from hearing God and feeling the presence of the Holy Spirit when she prayed. That's why God Almighty was so upfront with me about telling Mikey to throw out the accursed thing. Mikey said that the accursed thing was a pornographic film and a tiny bit of Marijuana.

Joshua 6:18 *And ye, in any wise keep yourselves from the accursed thing, lest ye make yourselves accursed, when ye take of the accursed thing, and make the camp of Israel a curse, and trouble it.*

God told me that if Mikey was ever to bring drugs into his mom's house again, just tell him to throw it out again and if it kept up then to tell his mom to call the police on Mikey. I never wanted it to get to that point and it never did and I told Mikey about everything I just described. I never wanted to have to do all that but Mikey was messing up his mom from the sin he was doing in his mom's home. If I had kids and they kept drugs in my house I would tell them never to do it again and if they did then I would call the police to put them in jail and scare my kids and of course pray to God making sure that is what he wanted me to do.

One day Mikey's mom called me and told me that Mikey was with his so-called friends and she said, "You know those are not his friends, so please pray for Mikey." I told Mikey's mom okay and we prayed together and then I hung up with her. I started

praying for Mikey and later the Lord told me to text Mikey and what I said in the text was, "Mikey, God told me you are selling drugs, is this true?" Mikey texted me back and said, "Na bro, hows you doin?" I told Mikey I was doing well and God Bless him. So I left it like that and that date was 3/31/2013.

Then on 4/01/2013 Mikey came by my house and explained the story of what happened when I texted him that night. Mikey said that when I called him he was driving for his friend delivering drugs. Right when I texted him he read the text and at that exact moment he said he felt conviction from the Holy Spirit. God told me to text Mikey at that exact time and after that God Almighty took care of the rest. All the glory and honor goes to the Lord Jesus Christ. Mikey eventually ended up leaving and going home. Mikey had a little bit of Marijuana and coke and he asked the Lord if he could just finish the drugs and then he would be done with them. Mikey told me that the Lord said, "No, its either the Me or the drugs, make your decision, what if you die right now?" Mikey said he told the Lord okay and just flushed the drugs down the toilet and started again with Jesus and all this happened at his house.

Mikey had rededicated his life to the Lord Jesus Christ and I was so happy that Mikey was back with the Lord. It was such a blessing to see Mikey back with the Lord and I was so excited to show him the website. The Lord told me that He wanted Mikey to be part of the **FMH Children's Club International Ministry**. So Mikey became part of the ministry and met Bruce Hallman and talked to him over the phone and it was great. It was a total miracle from God that Mikey got with me and Bruce. I texted Mikey exactly when God told me to and then God Almighty took care of the rest.

Then on 4/9/2013 the Lord told me to call Mikey and I called him and Mikey said that he was writing a letter to his brother that was in the annex and trying to get more pain pills for his back because the pain pills go fast. Mikey needed a \$100 to get more pills and did not have the money. After I hung up the phone the Lord told me that He did not want Mikey taking pain pills because the pain came through disobedience. God did not want Mikey to mask the pain with medication that was psychotropic drugs. God wanted Mikey to suffer just as Christ suffered for him.

Then I called Mikey later that day when the Lord ordered me to and Mikey said that he was going to stay all weekend with his family and I told him okay and to make sure that's what the Lord wanted him to do. Then I hung up with Mikey and the Lord God Almighty told me that He did not want Mikey to stay all weekend at his families. It was not God's divine will that Mikey stayed all weekend at his family's house. The Lord had me call Mikey back and tell him that the Lord told me that He does not want you to go to your families all weekend. I told Mikey to pray about it and that I was here for him if he wanted to stay with me.

Mikey said okay and that he would pray about it. Mikey ended up going to his families and told me after he got back that he got blessed while he was there and that he had prayed about it and Mikey said that the Lord told him to go to his families. I said okay, but I know what I heard and God can use any situation he wants for His glory even if you were not suppose to be there. The reason why God Almighty did not want Mikey going over to his families house was because his family would start talking about me and say that I don't go to church and since I don't go to church I have lost my way when in fact I had to leave that church in order to further my walk with Christ. You can read all about it at **Sun City Christian Center Exposed**.

God Almighty told me to leave that church because of the compromise it is carrying. Bruce Hallman taught me how to walk in the spirit, which means, every minute and hour of everyday needs to belong to the Lord Jesus Christ. All day long you need to be doing what God wants you to do.

God gives us life to live it for him and for us to give Him our lives. Every minute that you are awake you should be seeking the Lord God Almighty to see what he wants you to do and do it. Everything needs to be ordered by him. God gives us life to worship Him and to do His divine will and to walk in obedience. Through obedience we are healed and we get re-gened in Jesus as we are obedient and do His will.

Hebrews 5:8 Though he were a Son, yet learned he obedience by the things which he suffered;

Here's some good Scripture on "working out salvation"

1John 4:10 Herein is love, not that we loved God, but that he loved us, and sent his Son *to be* the propitiation for our sins.

1John 4:19 We love him, because he first loved us.

1John 2:4 He that saith, I know him, and keepeth not his commandments, is a liar, and the truth is not in him.

Philippians 2:12 Wherefore, my beloved, as ye have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling.

1John 2:5 But whoso keepeth his word, in him verily is the love of God perfected: hereby know we that we are in him.

James 1:21 Wherefore lay apart all filthiness and superfluity of naughtiness, and receive with meekness the engrafted word, which is able to save your souls.

James 1:22 But be ye doers of the word, and not hearers only, deceiving your own selves.

Ephesians 2:9 Not of works, lest any man should boast.

You still have to do spiritual works in order to get to heaven. When God Almighty tells you to do something and you complete the mission that He commanded you to do, you just did a spiritual work or spiritual deed. When you read the scripture:

John 14:15 If ye love me, keep my commandments.

The Lord is not talking about the ten commandments He is talking about, When the Lord tells you to do something do it. When you take this human body and make it use up energy in order to complete a commandment that God Almighty gives you to do you

are in essence doing a spiritual work or spiritual deed and that is what re-genes you in Jesus. There are satanic chords plugged into the flesh and when we obey God and complete a commandment He gives us, the Lord unplugs a satanic chord and plugs in the glory of God and at that moment a tiny part of you is getting re-gened in Jesus.

This process takes our whole life to do until we die or we get raptured up. Through obedience we are healed and becoming more Christ like is only through completing the commandments He gives us. You are killing the flesh when you do what God Almighty tells you to do. That's the only way to become Christ like, Through obedience, His word is Spirit and through obedience His Spirit becomes a part of us as we complete the task, commandment or scenario God Almighty tells us to do.

You are getting re-gened in Jesus as you listen and complete the mission He has given you to do and you are doing a spiritual work or spiritual deed by completing the commandment God gives you.

John 6:63 It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life.

The words that I speak unto you they are spirit and they are life so when God Almighty tells you to do something and you do it His Spirit becomes a part of you, it's like His blood is flowing through you at that moment and you are getting satanic chords unplugged from the flesh, becoming more Christ like, getting re-gened in Jesus and that is the only way to sacrifice the flesh.

John 12:47 And if any man hear my words, and believe not, I judge him not: for I came not to judge the world, but to save the world.

The Lord's commandment is life everlasting and if we reject that word it will condemn us to hell. If you are not hearing the Lord's voice you are not a sheep. The Lord is the good Shepard and He knows His sheep and His sheep know Him. Seek the will of the Father so you know what the will of the Father is.

John 12:50 And I know that his commandment is life everlasting: whatsoever I speak therefore, even as the Father said unto me, so I speak.

Being obedient and doing the will of the Father and seeking Him for His will is the process, which puts on the wedding garments. We put the wedding garments on as we serve Him. Only those with the wedding garments when it's time to punch out are going to make it into heaven. The wedding garments are the fleshly body getting out the junk and getting re-gened in Jesus.

Matthew 22:11 And when the king came in to see the guests, he saw there a man which had not on a wedding garment:

Matthew 22:12 And he saith unto him, Friend, how camest thou in hither not having a wedding garment? And he was speechless.

Then on 4/10/2013 God wanted me to invite Mikey over to listen to David Wilkerson-Baptism of Fire: http://www.fmh-child.org/audio/Baptism_Of_Fire.mp3 however Mikey said that he was going to church and I said okay and hung up the phone and the Lord told me that He did not want Mikey to go to church and that he was to

come over and listen to the audio. I called back Mikey and told him that the Lord does not want you to go to church; He wants you to come over and listen to the audio. Mikey said, "Either way I will come over and listen to the audio," and we hung up. Mikey ended up going to church but God did not want him going over there.

Mikey finally arrived at my house after church and he said that he got blessed going to church and God spoke to him and I said okay but I know what God told me and we moved on. Before we listened to the audio I told Mikey that God did not want Mikey to take pain pills for his back because that accident came about through disobedience. Mikey said okay and we listened to the audio from David Wilkerson and the presence of the Lord was strong and there was a big moving of the Holy Spirit and it was beautiful. Mikey and me prayed for a while and after Mikey was done praying he got his bottle of pills that he brought and flushed them down the toilet. I was like wow, God must have convicted him and I was happy he was listening to God.

Then on 4/11/2013 Mikey, brother Bruce and me went to the Burger King on Dyer and we talked and prayed and had a good dinner. We talked about the Bible and what God had said to us and told stories of what God has done in our lives. Then we took Mikey to his house because he said he had to check on his mom.

Then on 4/12/2013 Mikey called me and said that his back was hurting and that he needed a ride to the hospital and this was 5:00a.m in the morning. Mikey said that he already prayed and that the pain was crazy. Mikey said that he had taken a bunch of ibuprofen but it was not working. God told me, "No, do not take him to the hospital." I told Mikey that God told me no hospital. I can't remember exactly what I said but I know I tried to encourage Mikey and God Almighty did not want him taking pain pills to begin with because this all came out of disobedience and Mikey was to suffer just as Christ suffered for him.

The pain Mikey felt was nothing compared to the pain Christ was put through. When we ate dinner at Burger King Mikey did in fact say that God told him that He suffered more than Mikey and that the suffering Mikey was going to go through was small compared to the Lord's.

On 4/28/2013 I had fell into sin and I ended up getting a bad attitude and was so close to giving up on God and I would have been on my way to hell. The Lord told me to call Bruce and I explained to him that I fell into sin and that I was loosing it. I was talking to Bruce with lots of attitude and was giving him reason after reason why I was the way I was.

As I talked to Bruce he told me that God gave him an image of me burning in hell with the Lord looking strait at me as I burned with tears streaming down his face and demons mocking Jesus saying, "Your precious blood did not save him did it, ha, ha, ha, ha." I told Bruce that it would not be Jesus' fault but would be mine and argued with him. Bruce said that it still ends up back at the lord because his blood was shed for us. I kept arguing with that for a while, Then Bruce said, "That's what Jesus told me so go argue with Jesus not me."

That right there pretty much shut me up and I remained quite. Bruce said, "If you don't watch out I'm going to be working alone again." Bruce said, "You need to repent," and at that time the Lord told me, "If you love me repent right now." I started crying and

then I repented and gave up rebelling against God and got back with the Lord. I told Bruce, "What happened to me I was fine and all of a sudden here I am falling away." Bruce said, "The flesh does not want to submit and you let the devil get in your head bad." The scary thing is that if you get a hardened heart to where you can't repent God will let you go. I got my head screwed on straight and got back with the Lord and kept on going.

Then on 4/29/2013 I fell into sin again and was rebelling against God and later that day I called Mikey and told him I was falling away and asked if he was falling away. Mikey said, "Ya, no, ya, no, well I'm just trying to maintain." Mikey said that God's been showing him things about Bruce and about this ministry I am in. Mikey said that God told him that I need to quit the internet thing, apologize to everyone and go back to church for about a week.

Mikey said that Bruce is a good talker and knows the Bible. I said okay and went on in the conversation. Mikey said that God told him that Bruce is like a father figure to me because of his beard and he resembled my dad a little bit. I never thought of Bruce like that, I had always thought of him as a brother. However, had Bruce been my dad it would have been cool because I would be following Christ with my dad.

I told Mikey that God did not want him to take the pain pills because the accident came through disobedience. I told Mikey that Jesus wanted you to suffer just as he suffered for you. Mikey said, "Yes, He wants you to suffer but not to the point where you are like, "AAAHH!" Mikey blames me because he threw away his pain pills. Mikey said that Jesus does not want you to suffer like that, not to the point when you're like AAAHH! I said, "What does deny yourself, pick up your cross and follow me mean?"

Matthew 16:24 Then said Jesus unto his disciples, *If any man will come after me, let him deny himself, and take up his cross, and follow me.*

So Mikey says we only have to suffer a little bit and that's it. That is not true, there is no limit to the suffering God Almighty can make us go through. God won't put you through more than you can handle.

1Corinthians 10:13 There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it.

Then Mikey said that he could take the pain pills as long as he did not abuse them and that he listened to man rather than God when he flushed the pain pills at my house and the bottle at his house. God told me to tell Mikey that God did not want him taking the pain pills. So by Mikey flushing the pills away he was listening to God and by listening to me he was doing God's divine will because God did not want Mikey taking the psychotropic pain pills. Mikey said, "That's why God put doctors here, so they can help us."

Mikey said, "You guys are a company of prophets, don't you think that the Lord would bless Bruce with a bunch of prophets. Why is he alone?" Mikey says that him and me have a good bond but when Bruce comes around the bond is broken. Mikey said, "The Bible says that we are suppose to congregate and you guys don't, you go out on

Thursday instead of Sunday, what's up with that. Mikey said, "When two or three are gathered in His name studying the Bible that is a Bible study not church."

People said, "You use to loose yourself in worship at church, do you do that now?" He kept talking saying, "Why don't you do a forty day fast?" I told Mikey that I would not be able to make a forty day fast and that you should ask God what he wants you to do rather than going off on all these different tangents trying to do all this stuff yourself and think that it makes you Holy. If God tells you to fast then do it.

By hearing what Mikey told me I knew he was hearing from the Devil and thinking it was God Almighty. God Almighty used the conversation with Mikey to bring me back to Jesus because once I knew Mikey was not hearing from the True God, the Lord Jesus Christ that scared me and I never want to start hearing from the devil and think it is Christ. Anyone who says I should stop writing is not of God because I speak the truth on all the sermonets that I have written. I warn people not to do what I have done like taking drugs and tell all the experiences that God has put me through. Every single thing that I have written is the truth because God told me to write what I have been through.

If you start doing things yourself then the Holy Spirit is not leading you. When the Lord tells me to worship him with slow praise and worship I have the CD **Revival Fire**. When the Lord wants me to worship Him with slow praise and worship I do and I get lost in Him.

Psalms 37:23 **The steps of a good man are ordered by the LORD: and he delighteth in his way.**

Just by doing whatever the Lord tells me to do every minute of every hour of everyday is worship, not just a couple of hours on Sunday and then back to the way I want to live. Mikey also said that Bruce told him you need to throw away everything you learned and relearn what it is to truly give your life to Christ and live for Him and walk in the Spirit. Mikey said that he's not going to throw away what he has learned.

Thursdays were the days that I used to go to my mom's house to eat dinner with them and when I met Bruce the Lord told him to invite me to dinner on Thursday in order to get me away from my mom and step dad. My mom and Phill are really not into God too much and when I would go over there it would hinder my walk with Christ.

I even told Cruz and martin from Sun City Christian Center all about when I would go to my parent's house. I would be at my parent's house for a while and I would hear God tell me, "Lets go, lets get out of here." God eventually told me that He does not ever want me going over to my mom's house.

The swamp people show was not bad but other TV shows that were ungodly that I would watch with them had an effect on me because I did not even watch that stuff at my house. I only watched Christian movies and no secular shows so when I saw secular shows I was very sensitive to them. I am not saying that I am perfect but I was trying to follow Christ as well as I possibly could. Now I watch whatever God tells me to watch and that's it.

My mom celebrates Halloween and when October comes she decorates and has these little evil dogs with red eyes and wings, which look very demonic. Every object, magazine, book and secular music CD all have a spirit in them and if they are not of the Lord Jesus Christ then you have a bunch of demons in your house. That's what's up with my parent's house. I love my mom and Phill very much but you have to love God more than everyone because He is a jealous God with Godly Jealousy.

2Corinthians 11:2 For I am jealous over you with godly jealousy: for I have espoused you to one husband, that I may present *you as a chaste virgin to Christ.*

So when I got off the phone with Mikey on 4/29/2013 the Lord told me that Mikey lost his way and not to listen to what he had to say. When I told Bruce about all that had taken place the next day I talked to Bruce and he said that God told him that Mikey was a walking dead man. This all felt like a horror movie to me and did not feel real. Mikey got bit by a zombie and was now himself a zombie trying to bite me and make me a zombie.

I had a real hard time coming to grips with this because Mikey used to be one of my best friends and now I cant even talk to him because that's what the Lord said. I still love Mikey but that's what happens when you are not willing to do what God wants you to do. If you keep disobeying God He eventually will just let you go. Then your going to hear from Satan and think it is God Almighty. I have already seen it happen with two people so do what the Lord wants.

The Lord told me that Mikey is drowning and there is nothing you can say to him to make him change. The Lord said to delete his number from my phone, don't talk to him or call him and don't even bother praying for him because I won't even hear you. If you pray for Mikey you are committing witchcraft because Mikey was not willing to suffer through what God wanted him to suffer through. That's why if you gave your life to Christ you better do what He tells you to do or if you keep disobeying him at some point He can just let you go and that goes for me too.

Then on 5/4/2013 Mikey texted me and said, "Hows you doin," and when I read it the Lord told me to text him back, "Me and you serve different Gods so just leave me alone!" However, I did not want to do this one bit and just sat there for a moment and God said just do it. So I was kind of shaking when I did it because I love Mikey and don't want to cut off anyone however, what do you love more than Jesus? That's why it is so important to do what God says or at some point He will let you go and you will be hearing from Satan and you will think it is God. So I texted it and sent it. This is the voicemail Mikey left (<http://www.fmh-child.org/audio/Mikey.mp3>).

Jeremiah 11:14 Therefore pray not thou for this people, neither lift up a cry or prayer for them: for I will not hear *them* in the time that they cry unto me for their trouble.

This same situation happened to Miles McCoy who God wanted to be a part of our FMH Ministry. He denied God's word and also believes that the Body of Christ is going to go through the tribulation and God has used me and Bruce to tell him that the Lord told us that first the rapture happens, then the 7 yr tribulation and then the 2nd coming of Christ. God used Bruce to send him several messages and me as well but this

guy hardened his heart and God said, don't pray for him so he's the same as Mikey and he thinks he is hearing from God but he is hearing from Satan just like Mikey. God told me to delete Mile's number as well so there you go. If God tells you to do something and uses lots of other people to tell you then you better listen because at some point God will just let you go.

FMH Children's Club International Ministry tells it all and speaks the truth about everything that is on this website because it is all ordered by God. Whatever God tells us to write about that is what Bruce and me write about. FMH is here to help people come to Christ. When someone reads a sermonet sometimes it will trigger people to call Bruce and he gets to minister to them. This is how we find other prophets and also how people can call in and just leave hate messages. Sometimes its positive and other times its negative.

God uses this ministry, which is His ministry, to tell the truth about what is really going on. We rather not expose anyone or anything but if God tells you to expose it you have to. We rather have the false prophets and deceivers fall to repentance and get right with the Lord Jesus Christ like Jimmy Swaggart, Joel Osteen, Johnny Lee Clary and the list goes on and on.

The health, wealth and prosperity do not get it. It's all about doing what you don't want to do, that's what kills the flesh, God is the only one who knows how to kill the flesh and you have to be willing to do it His way and everything has to be ordered by Him. If you do what the flesh wants you feed the flesh. Jesus beat sin by being in total obedience to the Father and we beat sin the same way. By being in total obedience to what the Holy Spirit tells us to do we beat sin. When the Holy Spirit tells us to do something it originates from the Father then is spoken through the Son Christ Jesus and is delivered through the Holy Spirit. So whatever the Holy Spirit tells you to do you it is coming from God Almighty.

Hebrews 5:7 Who (Jesus) in the days of his flesh, when he had offered up prayers and supplications with strong crying and tears unto him (God the Father) that was able to save him from death, and was heard in that he (Jesus) feared;

Hebrews 5:8 Though he (Jesus) were a Son, yet learned he (Jesus) obedience by the things which he suffered;

Hebrews 5:9 And being made perfect, he (Jesus) became the author of eternal salvation unto all them that obey him;

So I say that if anyone comes across Mike Corona and he preaches the Gospel to you just remember that the Spirit of God hath departed from him due to not suffering the things, which God Almighty wanted him to suffer through. Mikey is hearing from Satan and God told me delete his #, don't talk to him, don't pray for him, forget about him and this is just so sad but God Almighty means business and He's not playing around. When you give your life to the Creator, you better do what he says because if you keep rejecting His word at some point He can reject you. God has 2 emotions, Love and Wrath and that's it so what will it be?

From Chris Fuller
E-mail: chris@fmh-child.org

YOU CAN HAVE SALVATION, BUT ONLY ON ONE CONDITION;

That you are totally sold out to Christ, you don't have any personal rights, you no longer have any right to do anything. You will be a servant. You are in essence signing your own death warrant because Satan will hate you and try to kill you. You are gaining eternal life and citizenship in heaven. You give up your life here on earth to gain life in heaven.
