

**The Spirit Of God Hath Departed From Viva Nissan  
[September 2011-November 2012]**

**Numbers 12:9 And the anger of the Lord was kindled against them; and he departed.**

**But indeed it was indication enough of his displeasure that he departed, and would not so much as hear their excuse, for he needed not, understanding their thoughts afar off; and thus he would show that he was displeased. The removal of God's presence from us is the surest and saddest token of God's displeasure against us. Woe unto us if he depart; and he never departs till we by our sin and folly drive him from us. (*Matthew Henry's Commentary On The Whole Bible*)**

I was a drug addict and worshiped drugs like marijuana and alcohol. I said "enough is enough" and I quit the drugs. I gave my life to the Lord and started attending Sun City Christian Center. The tithing pastor, Cruz Hernandez, is the parts manager at Viva Nissan and the Lord used him to get me a job as parts runner for Viva Nissan. (See "**Sun City Christian Center Exposed**" for more on the subject.)

On 11/16/12 I got up and could not get out of bed at 6:20am because I had stayed up to late the night before with Bruce while he spliced together "**Executive Order 13397**" (501c3 papers) [[http://www.fmh-child.org/The\\_Nazarite/Executive\\_Order\\_13397.pdf](http://www.fmh-child.org/The_Nazarite/Executive_Order_13397.pdf)] for me to give out at work to whoever the Lord told me to give them to. When I got up I was very sleepy and the Lord said, "Sleep till 8:00am and then tell Cruz the truth, you stayed up to late and you could not get up at 6:20am." I said, "Yes Lord" and slept till 7:45am then got up and called Cruz and told him the truth that I slept in and could not get up in time for 6:20am and slept till 7:45am and that I just had to make my lunch and get ready and go to work. Cruz said, "No problem," and said, "I will see you when you get to work."

I finished everything I had to do and then drove off to work. Then, when I arrived at work I walked up with all my belongings the Lord said, "Pray for Chris and the guy next to him." I said, "Yes Lord," however, I did not feel like praying for anyone but I still walked over there and said, "The Lord wants us to pray together if that's ok with both of you." Chris and the other detailer said, "Ok lets pray." The Lord told me for Chris to lead us in prayer so I said, "Chris, Lord wants you to lead," and Chris said, "Ok," and led us in

a beautiful prayer and I got totally blessed from it and the anointing of the Holy Spirit fell upon us and at that moment I already started feeling better and just by that prayer got filled with the Holy Ghost.

Out of obedience on the first prayer the Lord filled me with his spirit and I was ready for whatever lied ahead for that day. So then I went to my workstation and downloaded all my belongings and went and clocked in. I started working at my workstation and the Sales dept. were having a training session on selling cars and how to show the customer the car and let the customer go in the car and sit down inside, there were eight people out there. 1 manager and 7 employees were out there and the manager was showing them what to do. The Lord said, "Go and pray for all of them, get consent from all the people and pray for them." I said, "Ok Lord," I went out there and said, "The Lord wants us to pray together if that's okay." One guy said, "I am totally down to pray but I don't know about anyone else." Then the manager said, "I know the Lord uses people to do things so if everyone wants to pray then it is okay but we have to have everyone's consent." Every person said yes and we all got in a circle and held hands and prayed. I led us all in prayer and it was absolutely beautiful because right in the middle of everything you have 9 employees in a circle holding hands praying together at a car dealership and you just don't see that everyday. The Bible says:

**1Thessalonians 5:17 Pray without ceasing.**

Then I went to the front and saw a guy that I drove in the shuttle many weeks before and we talked for a minute and he told me that he was driving on 54 and his tire popped and he spun out, and how the Lord amazingly saved his life. He ended up on the side of the road with no damage to his truck or him, or his wife and it was a miracle from God. When the guy was finished talking the Lord said, "Pray for him," and I said, "The Lord wants us to pray together if that's okay," and he said, "Yes," so we prayed.

**1Kings 8:45 Then hear thou in heaven their prayer and their supplication, and maintain their cause.**

In the middle of the prayer Bernie said "Chris can you help Irma get gas?" However I did not say anything back until we were done praying. After prayer I said, "Yes sir, I will help her get gas," and went and found a porter and he gave Irma gas. Then I went to my station and started working and the waters were calm and God was quiet. The Lord said nothing at all for a while so I just kept working. Then the finance people were filling up balloons next to shipping and receiving and the Lord said, "Pray for all of them." Lord said, "Get consent from each person and pray for them."

So I went out the back door and said, "The Lord would like us to pray together," and one guy spoke for all of them and said, "No we have to get this done," so I said, "Ok God bless you guys." I got back to work and worked for a while until Cruz said "Chris where is the glass cleaner?" So I went and told him that the entire glass cleaner had been moved and got him a can for Mark. I started back to my station and the Lord said, "Go pray for Mark," and Mark was walking away at a fast rate and the Lord said, "Go hurry

and catch him. Pray for him I am not playing around.” “Yes Lord,” I said, and finally caught up to him and I said, “Mark the Lord wants us to pray together,” and Mark said “Not right now Chris!” I said, “Ok yes sir,” and went back to my workstation and got back to work.

**Matthew 5:11 Blessed are ye, when *men* shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake.**

**Matthew 5:12 Rejoice, and be exceeding glad: for great *is* your reward in heaven: for so persecuted they the prophets which were before you.**

Then suddenly Cruz said, “Chris, I need to see you in my office right now man.” I said, “Yes sir.” Cruz said, “The management is complaining saying that you are causing disruptions asking people if they want to pray or not.” I told Cruz that the Lord Jesus Christ tells me to pray for many people every day and I have to go ask them to see if they want prayer or not, and as soon as I ask them and they receive it or reject it I have done my job in God’s eyes. Cruz said, “I understand that but, this is work and they told me that this has to come to a stop. You can get their number or go upstairs and pray for them.” I said that the Lord wants me to pray for them in their presence. I told Cruz, “I understand that but our Lord and Savior does not care if we are working or not, he wants us to pray.” Jesus Christ does not think like his creations do. So I told him ok, and just told him my situation and got back to work.

**Isaiah 55:9 For *as* the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.**

After that I had to go pick up a battery at Interstate Battery and I got an old battery called a core, so when you pick up the new battery you give them an old battery and you won’t get charged \$15.00. If you don’t give them a core when you go to pick up a new battery you get charged \$15.00. When I got there the Lord said, “Pray for the guy at the counter.” I said, “The Lord would like us to pray together if that’s okay.” He said, “I can’t right now I’m mad,” and I said, “Okay.” Then a customer came inside and the Lord told me, “Pray for him,” and I said, “The Lord Jesus Christ would like us to pray together if that’s okay.” He said, “Sure,” so we prayed and the presence of Almighty God was thick in the room. I got my battery and headed back to Viva Nissan. Then I arrived and got back to work.

The Fed Ex guy would deliver almost every day to Viva Nissan and we would pray a lot and it was beautiful. Lupe would also deliver a large amount of Nissan parts and the company he works for is Lantern. When he would deliver parts and sometimes the Lord would have us pray together and the times we prayed you could feel the presence of God. The Lord would have him lead in prayer and sometimes the Lord would tell me to lead in prayer and it was beautiful. He would pray for me and I would pray for him. We would be blessed and we would be filled with the Holy Ghost. Lupe and I would talk while we unloaded his truck with transmissions and automotive parts. We talked about “**The Rapture**” soon to come (<http://www.fmh-child.org/Rapture.html>) and the corrupt “**New Age Bible Versions**” (<http://www.fmh-child.org/NewAgeVersions.html>)

and that "**Birthdays Are Satanic**" (<http://www.fmh-child.org/HappyBirthday.html>) and come from Satanist and that information is located on page 96 of the Satanic Bible. I gave him "**The Attack**" tract ([http://www.chick.com/reading/tracts/0031/0031\\_01.asp](http://www.chick.com/reading/tracts/0031/0031_01.asp)) and a print out of the "**Birthdays Are Satanic**."

Then the Lord told me to pray for Eddie Cepeda and he is the general manager for all the stores which are Viva Chevrolet, Viva Kia, Viva Ford, Viva Dodge, Viva Nissan and that's it. I said, "Ok Lord," so I went to the restroom and got ready to go talk with Eddie Cepeda and see if he accepts prayer. I definitely did not want to do this but I had to listen to My Lord and Savior so after the restroom break I went up the stairs and started walking to Eddie Cepeda's office.

I arrived and he was on the phone and I waited at the door until he was off the phone, then he let me in his office and said, "Come in Chris and have a seat. Chris, you are not in trouble, there are no repercussions and I understand what you are doing but we have to keep God and work separate. If I let you give out tracts then I have to let the Jehovah Witness's give out tracts and that is going to stir up a lot of stuff. I am a Christian too and I have to keep God and work separate. It's just something we have to do and I know you will." I said, "Ok, thank you sir," and then the Lord said, "Pray for him", and I said, "Sir the Lord wants us to pray together if that's ok," and Eddie Cepeda said no, no, no, you see that's what I am talking about, "you can't do that. I said, "Ok God bless you," and he told me, "God bless you," and I left his office and then it was on.

**Mark 7:9 And he said unto them, Full well ye reject the commandment of God, that ye may keep your own tradition.**

Keep your own tradition meaning, "Keep God and work separate." God Almighty does not go for that and the whole point of giving your life to Christ is to let him rule everything and not separate Him from anything. Continuing on:

As soon as I left the Lord said, "Leave, get in your truck and leave," and I was like, "Ok Lord but can I get a second confirmation," and the Lord said, "You don't need a second confirmation just leave." Then the Lord said, "Fine, call Bruce and ask him if he is hearing the same thing as you." Lord said, "I will let you get a second confirmation." I knew with all my heart, mind, and soul it was God however, I was about to walk out of the best job that I ever had so I was flipping out. So I called Bruce and got a hold of him on the phone and told him that the Lord wants me to leave work right now and if we can do a second confirmation.

So I asked Bruce if the Lord said anything to him, and about 2 minutes later he said, "The Lord's telling me leave. That's all I can guarantee is leave." I said, "Well can I say bye to anyone or what," but then I heard the Lord say, "What does leave mean? Leave, get in your truck and go home." So then I told Bruce I have to leave now so I told him I would call him later. I went and got all my belongings and did not say a word to anyone. I got to my truck then the Lord said, "Throw your nametag in the concrete ditch," and I said, "What?" The Lord said, "Throw your nametag in the concrete ditch,"

and I said, “Yes Lord,” and threw it in the ditch. I then got in my truck and left Viva Nissan for good. I went home and could not believe it happened so fast.

**1Kings 19:19** So he departed thence, and found Elisha the son of Shaphat, who was plowing with twelve yoke of oxen before him, and he with the twelfth: and Elijah passed by him, and cast his mantle upon him.

**1Kings 19:20** And he left the oxen, and ran after Elijah, and said, Let me, I pray thee, kiss my father and my mother, and then I will follow thee. And he said unto him, Go back again: for what have I done to thee?

**1Kings 19:21** And he returned back from him, and took a yoke of oxen, and slew them, and boiled their flesh with the instruments of the oxen, and gave unto the people, and they did eat. Then he arose, and went after Elijah, and ministered unto him.

Elisha broke his plow and burned it and made food for his family and then went to follow Jesus. He left his work and went to follow the Lord God Almighty and that is what I did. I left Viva Nissan, threw my nametag in the ditch and went to follow the Lord Jesus Christ. Continuing on:

I had it planned in my head to just keep working until they tell me to cut my hair and beard. The Lord made me take the Nazarite vow, it's like Samson in the Bible, he could not cut his hair. In Numbers 6:1-10 is the Nazarite vow, and also I cannot shave my beard and have to be separated with the Lord. Bruce told me that's not the way he wanted it to happen because you see we both wanted me to keep working until they told me to cut my beard and hair. Then I would tell them that the Lord made me grow my hair and beard and I was a Nazarite and tell them in the Bible where it was. They could terminate me and I could get unemployment. The whole time I had it all planned out, and that's what I was going to do, but the Lord quickly changed those plans. Bruce told me that the Lord told him throwing the nametag in the ditch was symbolic of what he thought of the Viva Nissan. Keeping God out of work when you are a so-called Christian is a compromising walk with God. Putting God in a box Monday thru Friday and taking him out on Sunday does not honor God.

So then I called Cruz and told him that the Lord wanted Eddie Cepeda to pray with me. If he would have prayed with me I would have been able to work a bit longer there but he rejected prayer so the Lord told me to quit. There were a lot of beautiful prayers that were done and the Spirit of God moved many times but now it was all over.

Awhile back the Lord gave me a word to give to Cruz and it was to leave Sun City Christian Center, make his family devotionals church, become a King James only and tell his kids that the NIV is a corrupt piece of garbage. I even gave him “**The NIV Is An Abomination Book**” ([http://www.fmh-child.org/The\\_Nazarite/NIV\\_Abomination\\_Book.pdf](http://www.fmh-child.org/The_Nazarite/NIV_Abomination_Book.pdf)) with the comparison of the KJV and the NIV. I also let him read “**The Attack**” tract ([http://www.chick.com/reading/tracts/0031/0031\\_01.asp](http://www.chick.com/reading/tracts/0031/0031_01.asp)) and gave him a print out of the corrupted Greek Hebrew manuscript which is the Alexandrian or Egyptian text and also know as the Westcott-Hort Greek New Testament with comparison to the Textus

Receptus which is the correct Greek Hebrew manuscript. You can read all about that on "**The Attack**" tract on the "choose your poison button."

I know the Lord Jesus Christ told me to tell him those things. Cruz said that he does not believe that the Lord told me to tell him about all those things. Cruz has a form of Godliness but denies the power there of. Eddie Cepeda has a form of Godliness but denies the power there of. God does not want to be kept out of anything. Jesus Christ is Lord and Savior but if He's not Lord of all He's not Lord at all. It is hard to follow the Lord Jesus Christ and let Him be Lord of all. I have to check my salvation with fear and trembling everyday and nobody said it was going to be easy. However, heaven is worth it. Hell is not worth anything, not trillions of dollars or anything you could ever imagine. "**Hell Is Real**" and forever. (See "<http://www.av1611.org/hell.html>", "[http://www.fmh-child.org/audio/Gods\\_Hell.mp3](http://www.fmh-child.org/audio/Gods_Hell.mp3)", and "[http://www.fmh-child.org/audio/Hell\\_Of\\_Hell.mp3](http://www.fmh-child.org/audio/Hell_Of_Hell.mp3)" for more on the subject.)

That is my story and "what do you love more than Jesus"? Obedience to the Lord Jesus Christ is always better than spiritual death. Even if the Lord makes you quit your job that you love so much.

**Matthew 13:15 For this people's heart is waxed gross, and *their* ears are dull of hearing, and their eyes they have closed; lest at any time they should see with *their* eyes, and hear with *their* ears, and should understand with *their* heart, and should be converted, and I should heal them.**

**2 Corinthians 7:15 And his inward affection is more abundant toward you, whilst he remembereth the obedience of you all, how with fear and trembling ye received him.**

YOU CAN HAVE SALVATION, BUT ONLY ON ONE CONDITION;  
That you are totally sold out to Christ, you don't have any personal rights, you no longer have any right to do anything. You will be a servant. You are in essence signing your own death warrant because Satan will hate you and try to kill you. You are gaining eternal life and citizenship in heaven. You give up your life here on earth to gain life in heaven.
