

The Beginning Of My Walk With Christ

1993

I was going to Hanks High School at this time and it was my junior year. I was hanging out with Mike Mitchell and he would pick me up on the weekend sometimes and we would go to parties at people's houses he knew. Mike Mitchell would show up to my mom's house to pick me up in his little black truck and sometimes he would be high on weed (Marijuana). One time my mom said, "Hey Mike, are you hungry, do you want some food?" My mom was messing with Mike Mitchell because she knew he was high on weed (Marijuana) and was letting Mike know that she knew he was high by being sarcastic. Mike Mitchell said, "No thank you." One time after I got back from partying with Mike Mitchell and my mom talked to me and told me that she knew that Mike Mitchell was showing up high on weed (Marijuana) and my mom told me to tell Mike Mitchell to stop coming over to pick me up high. I told Mike Mitchell, "Hey man, my mom knows your high when you pick me up so just wait to smoke until after we leave my house." Mike Mitchell said, "Okay, sorry about that." Another time Mike Mitchell himself said, "I think your mom knew I was high." (High on Marijuana)

Then another time in my junior year after the weekend had passed and we were back on Monday Mike Mitchell, Joe Blizzard, Danny Zubiato and myself were sitting at a lunch table in the cafeteria and I had left the table temporarily to buy chocolate milk and while I was gone Danny Zubiato said, "Mike, What did you guys do on the weekend?" Mike Mitchell said, "We went to a party and Chris got drunk off jungle juice for the first time which was his first social drinking party."

Proverbs 20:1 Wine is a mocker, strong drink is raging; and whosoever is deceived thereby is not wise.

Now this took place at Mike Mitchell's German friend's house, which was a nice house and I can't remember if it was Gunar's house or not but that is where I first met him. Then another time at a house party, I met all these people through Mike Mitchell and I don't remember seeing Mike Mitchell at the party at one point but he had to be there somewhere because I did not have a vehicle at the time and I was far from my house. Mike was in another room or another part of the house and Mike told me to sit on the couch and chill. Then Chad asked me if I wanted to smoke weed (Marijuana) with him and I said yes. Then we went outside in the backyard to smoke Marijuana and this was the first time I had ever smoked Marijuana. We were using a bong and Chad kept telling me to hold the Marijuana smoke in because I was just blowing it out. I met Chad through Mike Mitchell

Then Danny Zubiato scotch taped a paper on my locker that he made and it said, “Beware of Loser’ and it had a picture of me. I am not mad about this and to this day I am glad he did that because you see God Almighty was using Danny to do this in order to wake me up and make me see that I was going down the wrong road. Danny Zubiato was the good angel on my shoulder whispering in my ear not to do drugs and not to go down the wrong route. Danny Zubiato was trying to help me but Mike Mitchell was the evil angel on my shoulder whispering and enticing me to do drugs and alcohol and made the way for it all to happen by picking me up to go to those parties. I could have said no and at that time I wanted to party and do drugs but God says that does not matter because Mike Mitchell was willing to be the person that took me into the party zone in the very beginning.

Now first off I love Mike Mitchell, I love him enough to tell him the truth but God Almighty told me to put the bust on Mike Mitchell because it could have been someone else who took me to all these parties and yes I was going to do drugs never the less but Mike Mitchell still took me to all these parties and was a bad influence in my life because he helped me get intoxicated and helped introduce me to weed (Marijuana). Yes, I was going to do drugs regardless but Mike Mitchell was still used by the devil to corrupt me. Yes, I am blaming Mike Mitchell for taking me to the parties, which had the drugs and alcohol. It could have been someone else but it was Mike Mitchell. Mike Mitchell has a delusion thinking that he had nothing to do with starting me out on drugs and alcohol but God says he did and now I also know he did.

Mike Mitchell believes a lie from the devil thinking he is good and had nothing to do with it. It is one word, **Deception**. It's about Mike Mitchell being deceived into thinking he had nothing to do with starting me off with drugs and alcohol. Mike Mitchell was used by the devil to turn around God's divine plan for my life. Mike Mitchell intercepted the ball, which God threw to me in order to do the devils plan, which was to destroy my life and take me to hell. The devil was using Mike Mitchell in a very strong way to influence me and I was very easily influenced at the time. I am not saying poor me, but you are who you hangout with and I am going through the facts that really happened and God made me say all this and in the beginning I did not want to do it but now I see what God means. God Almighty wants Mike Mitchell to know that's he is not off the hook on this subject in God's eyes. I don't even care anymore and I forgive Mike Mitchell and it could have been someone else who influenced me and I was a willing participant but what God told me was, "Mike Mitchell took you to those parties knowing what he was doing." So Mike Mitchell needs to go to God Almighty and repent of this sin. I don't need an apology, I forgive Mike Mitchell but God needs an apology.

Galatians 6:7 Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.

1Corinthians 15:33 Be not deceived: evil communications corrupt good manners.

2Titus 3:13 But evil men and seducers shall wax worse and worse, deceiving, and being deceived.

1998

I have been living where I am at right now for 15 years and when I first got here I would pray and talk to God but was not totally serious about it. During 1998 I would smoke Marijuana and drink alcohol and do whatever drugs came my way. I would pray and talk to God and tell God that I could leave all the drugs and become drug free but the only thing I knew at that time I could not beat was the pornography. I was in bondage due to pornography and was never able to quit. I could go for about a month and then I would break down and have to watch it. So because I could not beat the pornography I just stayed in sin and kept on serving myself drugs, pornography and worshipped my party life.

Then one time after a party I was walking out to my car to go home and I said Lord, I want to be with you but I am all messed up right now. Then I got in my car and drove off and went along doing the same thing continuing on doing drugs and everything I wanted. This drug-induced lifestyle kept on going on for many years. Try like more than 10 years.

2008

I started using the Internet to learn things rather than just hearing music. I had researched and learned about nutrition and the disease known as gout. I have a build up of uric acid in my foot. It is a small knot and connected to the bone. So rather than spend all this money on doctors I researched what to eat so the knot won't get bigger. I would also get a swelled up finger that looked purple and since gout is an arthritis disease the purple finger would hurt just to touch anything. Antibiotics would take the inflammation down but I did not have \$300 to go to the doctor.

The uric acid build up on my foot is not inflammation; it is a rock hard knot that's not that big. Over the many years of eating too much protein and having the Marijuana munchies and going to eat tacos, then smoke, then go eat a double meat Whataburger, then smoke, then later eat again and go get a pizza. This was too much food eaten in one day due to the Marijuana munchies. This is what caused the uric acid build up in my foot and this would be a whole other sermonet to explain so I will move on. Anyway, I learned about gout, the foods to eat in order to bring down the uric acid and inflammation in my hand because of too much protein. Celery, radishes and flaxseed oil work very good to take down the inflammation of gout and also, don't eat too much protein in one day.

Then after the nutrition expedition I started learning about the Freemasons and the Illuminati along with the New World Order. I used to hear about all that from people at work but never knew until I educated myself online. I got stuck on that subject and would research that stuff until I could no longer open my eyes and would have to go to sleep. I watched videos from Anton Lavey and learned about Satanism along with other satanic videos. I kept on researching these things and kept on partying with my friends and doing drugs and learned as much as I could. I would also expose music to see if certain songs had a satanic message behind them and enjoyed finding the evil and corruption in things.

I would study the satanic messages that were coming out of secular music. I learned about Satanism in the music industry. I would expose secular music and find out the satanic message they were saying. I would also expose movies, movie stars and music artists. I guess you could have called me a headhunter looking for the evil in things. God Almighty eventually told me after I had been walking with him for a while to stop exposing everything. God said, "If I tell you to expose something, then you expose it, but for you to just go around exposing everything is wrong and is not of my Spirit." So I stopped and understood where God was going with that but man I was addicted like a crack addict ready to expose everything. That was a huge problem I had and did not want to be known as a headhunter. When God tells me to put the bust on something or someone I will, but until then leave it alone! I was using my prophet abilities for myself and not God and that got me into trouble.

I have pretty good spiritual discernment given to me from God. We all have gifts and that is one of mine. For example, couple years before 2008 I was driving up Hondo Pass about to pass Diana. Right before passing Diana I saw a Freemason Lodge to the left. I had no idea of what the place was but saw the square and compass with the eye, which is the Freemason's logo and just knew that was some devil worship stuff.

Once I researched the Freemasons I found out I was correct and before even knowing what that logo was I already knew it was of the devil. I had no idea what it was when I first saw the Freemason Lodge and it's logo but God indirectly told me without me knowing it was Him that told me. At that time I had no idea I was a prophet until later when I gave my life to Christ in the beginning of 2011. Bruce Hallman said that the Lord told him I was a prophet. Then after many days of praying God did confirm I am prophet and that Bruce is a prophet as well. God wanted me to be in "**FMH Children's Club International – A Company Of Prophets,**" which is "**A Last Chance Ministry.**" That's the whole reason why God told me to talk to Bruce when I saw him walking past me at the church. I met Bruce in the mid part of 2011 but ended up putting these last 2 paragraphs in 2008 because some things were interconnected so please bear with me.

So by listening to God and talking to Bruce God put me in fellowship with another prophet. It's amazing how God Almighty works. I am just another part in the body of Christ. I am a prophet because God says I am, but it is an abomination for me to call myself Prophet Chris because then it would become a pride thing. My name is Chris Fuller and that's it. I am a prophet and must humble myself and use my prophet abilities for God's glory and not my own. There are Pastors, evangelists, prophets and more and I just happen to be a prophet and that is how I contribute to the body of Christ, with meekness and humbleness.

Ephesians 4:11 And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers;
Ephesians 4:12 For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ:

2009

God would talk to me from time to time and one time told me that the Statue of Liberty was made by the Freemasons and like a week or 2 later on the Discovery channel they had a show called Decoded and it was about the Statue of Liberty being made by the Masons and God was showing me he was with me. **Brad Meltzer's Decoded – Statue Of Liberty**. Then the Lord was also telling me the meaning behind some of the gangster rap music I had and showed me that they were rapping about being a Mason and glorifying it and it blew me away.

2010

By this time I was still smoking with my friend Mikey and drinking with Robert and Tito. Most of my time was spent smoking Chronic and Kush, which is high grade Marijuana. Mikey and me would be getting high and somehow the conversation would end up at Christ. We would talk about Jesus Christ and talk about how we needed to give our lives to Him. We kept on getting high through the days and the conversations would still end up on Jesus the Christ. Mikey eventually said, "We can't talk about the Lord when we are high." I said, "We have to start somewhere and if that means talking about Jesus Christ when we are high I don't see a problem with it."

Day by day we would smoke Marijuana and talk about the Lord Jesus Christ. One night while I was by myself, I was on my computer looking through music folders. Then all of a sudden I felt a touch on my right shoulder. When I felt the touch I could feel the peace and the flood of love that was so strong all I could do was just cry because it was so beautiful. Jesus Christ touched me on my right shoulder and revealed himself to me and it was a very incredible thing to go through. Once that happened I knew that Jesus was after me and I wanted to be with him and was eventually going to be with him. It felt like some human person put their hand on my right shoulder and that was what pulled me into eventually giving my life to Christ.

Then one day before Robert and Tito came over they said, "We will come party with you, just don't talk about the Freemasons, Illuminati, New World Order or anything like that and I was like, "Fine, we will talk about something else." Then that night Robert and Tito were at my house and we were drinking and got into a conversation about Paganism being Satanism and that it's root comes from Satanism. Paganism is of the devil just like Satanism and Robert agreed but Tito did not agree and said Paganism is not the same as Satanism and is not satanic even though it is. That conversation did not

go anywhere and I know that Paganism is of the devil and Tito disagreed with me and said it was not. Anyway, that was the conversation and we moved on.

2011

January of 2011 I was still partying and doing my thing. I was still scoring drugs and worshipping my party life. I kept on living for me and this lasted a couple more months until it finally came to an end at about March of 2011.

Then other days went by until one day Robert and Tito were partying with me and that night I felt like I needed to be with Christ and I could feel his presence pulling on me again so after that night I ended up wanting to change. Then one night Mikey came over to my house and we talked about the Lord and Mikey was on fire preaching to me and Mikey was being used by God in an incredible way. Mikey said the salvation prayer to me and I got saved and I felt like a brand new person. Eventually some time after that I started going to Sun City Christian Center. You can read more about this at **Sun City Christian Center Exposed**.

Romans 7:11 For sin, taking occasion by the commandment, deceived me, and by it slew *me*.

1Corinthians 6:9 Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind,

Titus 3:3 For we ourselves also were sometimes foolish, disobedient, deceived, serving divers lusts and pleasures, living in malice and envy, hateful, *and* hating one another.

Revelation 20:10 And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night for ever and ever.

In Hell...

There is never any rest. No peace of mind... The screams, the fear, the thirst, the hopelessness is heard in this place called Hell. Out of the bottomless abyss of Heklafell, or rather out of Hell itself, rise melancholy cries and loud wailings, so that these can be heard for many miles around...there may be heard in the mountain fearful howlings, weeping and gnashing of teeth. It is humanly impossible to comprehend the Bible description of Hell. Nothing on earth can compare with it. No nightmare could produce a terror to match that of Hell. No horror movie could describe it's fright. No crime scene with all it's blood and gore could begin to match it's horror. It will be beyond anything humanly imaginable! Don't want to go to God's everlasting alternative (Hell).

"Hades" means the world of the dead, which is a place of disembodied spirits of the wicked. Death is certain; you are going to die at some point. If you're not ready and die without Jesus Christ your everlasting home will be in the fiery pits of Hell. Constant and daily repentance is needed in order to be ready for the Lord Jesus Christ. I have floated in spirit form out of my body and know for a fact there is a spirit realm. You can read all about it in **The Out Of Body Experience**. I did not see heaven or hell but I floated through my wall and floated through my floor and went into strait darkness and then woke up back in my body. So please avoid Hell!! I will do the same.

Revelation 14:11 **And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.**

YOU CAN HAVE SALVATION, BUT ONLY ON ONE CONDITION;
That you are totally sold out to Christ, you don't have any personal rights, you no longer have any right to do anything. You will be a servant. You are in essence signing your own death warrant because Satan will hate you and try to kill you. You are gaining eternal life and citizenship in heaven. You give up your life here on earth to gain life in heaven.
